MA-063-22010549  
WITH  
OMNI ENTERPRISE, INC.  
FOR  
JANITORIAL AND DAY PORTER SERVICES**

This Subordinate Contract MA-063-22010549 (referred to as "Contract") is made and entered into upon execution of all necessary signatures between the County of Orange, Social Services Agency (SSA), a political subdivision of the State of California, with a place of business at 500 N. State College Blvd., Suite 100, Orange, CA 92868-1673 (referred to as "County"), and Omni Enterprise, Inc., having a place of business at 1420 E. Edinger Ave., Suite 111, Santa Ana (referred to as "Contractor"), for Janitorial and Day Porter Services. County and Contractor may be individually referred to as "Party," or collectively as "Parties."

**ATTACHMENTS**

This Contract is comprised of this document and the following Attachments, which are incorporated herein by this reference into this Contract:

Attachment I – Scope of Work

Attachment II – Price List

**RECITALS**

WHEREAS, the County of Orange, County Procurement Office (CPO) has issued Regional Cooperative Agreement RCA-017-22010002 (referred to as "RCA") on file with County of Orange, CPO, effective September 01, 2021 through August 31, 2026, for Janitorial Services (referred to as "Services") in accordance with the terms and conditions of the RCA between Contractor; and

WHEREAS, County desires to enter into a Contract for the Services per the RCA; and

WHEREAS, Contractor is willing to provide the Services specified in the Scope of this Contract as listed below; and

WHEREAS all terms and conditions, amendments/modifications of the RCA are incorporated herein by this reference into this Contract; and

WHEREAS, County and Contractor agree that this Contract is effective upon mutual agreement of both Parties and County of Orange Board of Supervisor's approval; and

NOW, THEREFORE, the Parties mutually agree as follows:

**ARTICLES**

1. **Scope of Contract:** This Contract specifies the terms and conditions, per RCA incorporated herein, by which County will procure the Services as specified in Attachment I – Scope of Work
2. **Term of Contract:** This Contract shall commence on January 01, 2022 and continue through and including December 31, 2024, unless otherwise terminated by the County. This Contract may be renewed for one additional two-year term. The County does not have to give a reason if it elects not to renew this Contract.
3. **Compensation & Payment:** Contractor agrees to provide the Services at the fixed rates specified and set forth in Attachment II / Price List in this Contract and in accordance with the terms and conditions specified in the RCA. The total cost of this Contract shall not exceed \$689,640.00; provided, however, that in the event County desires to procure Services in excess of the stated amount, the Parties shall enter into an amendment to this Contract for such additional expenditure.

**SUBORDINATE CONTRACT  
MA-063-22010549  
WITH  
OMNI ENTERPRISE, INC.**

**Invoicing:** Contractor shall submit invoices for payment processing to the following address:  
Social Services Agency/Procurement Services at [ssaprourementap@ssa.ocgov.com](mailto:ssaprourementap@ssa.ocgov.com) or mailed to  
Attn: Processing Desk (MA)  
500 N. State College Blvd., Suite 100  
Orange, CA 92868-1673

Payment will be net 30 days after receipt of an invoice in a format acceptable to the County and verified and approved by the agency/department and subject to routine processing requirements. The responsibility for providing an acceptable invoice rests with the contractor.

An acceptable invoice format shall minimally include:

- A. Contractor's name and address;
- B. Invoice number and date;
- C. Name of County agency/department ordering services/goods;
- D. Description of services/goods and date ordered;
- E. Contract MA-063-22010549;
- F. Total Invoice Amount;
- G. Contractor's federal taxpayer's ID number; and
- H. Contractor's remittance address (if different from line A)

Contractor has the option of receiving payment directly to their bank account via an Electronic Fund Transfer (EFT) process in lieu of a check payment. Payment made via EFT will also receive Electronic Remittance Advice with the payment details via email. An email address will need to be provided to the County via EFT Authorization Form. To request a form, please contact the DPA.

4. **Usage:** No guarantee is given by the County to the Contractor regarding usage of this Contract. Usage figures, if provided, are approximate, based upon the last usage. The Contractor agrees to supply services requested, as needed by the County of Orange, at prices listed in the Contract, regardless of quantity requested.
5. **Debarment:** Contractor shall certify that neither contractor nor its principals are presently debarred, proposed for debarment, declared ineligible or voluntarily excluded from participation in the transaction by any federal department or agency. Where Contractor as the recipient of federal funds, is unable to certify to any of the statements in the certification, Contractor must include an explanation with their bid/proposal. Debarment, pending debarment, declared ineligibility or voluntary exclusion from participation by any federal department or agency may result in the bid/proposal being deemed non-responsible.
6. **Notices:** Any and all notices, requests demands and other communications contemplated, called for, permitted, or required to be given hereunder shall be in writing, except through the course of the Parties' project managers' routine exchange of information and cooperation during the terms of the work and services. Any written communications shall be deemed to have been duly given upon actual in-person delivery, if delivery is by direct hand, or upon delivery on the actual day of receipt or no greater than four calendar days after being mailed by US certified or registered mail, return receipt requested, postage prepaid, whichever occurs first. The date of mailing shall count as the first day. All communications shall be addressed to the appropriate Party at the address stated herein or such other address as the Parties hereto may designate by written notice from time to time in the manner aforesaid.

**PART B  
SERVICE STANDARDS  
FOR JANITORIAL AND DAY PORTER SERVICES**

**Section 1: General Conditions**

1-01 **Intent:** It is the intent of these specifications that the Contractor will maintain the premises at an optimum level of cleanliness at all time. These specifications, therefore, shall be a guide for, rather than a limitation to, the services required to effectively maintain the premises. If SSA Facilities Services considers the level of cleanliness at any time to be unacceptable, then the Contractor shall be required to effect prompt action to overcome such unacceptable condition(s) and any additional cost resulting from such action shall be borne solely by Contractor.

**Section 2: Security Consideration**

2-01 **Background/Security:** All personnel engaged in performance of this work shall be employees of the Contractor and as such shall be warranted to possess sufficient experience and security records to perform this work. Contractor shall research the employment and police records of each employee and shall maintain a copy of that research.

2-02 **Health:** All personnel shall be in good health and free of contagious diseases. Contractor shall not allow any person(s) under the influence of alcohol or drugs on the premises or in the building. Neither shall the Contractor allow the use or presence of alcohol or drugs on the premises or in the building.

2-03 **Conduct:** No person(s) shall be employed for this work that is found to be incompetent, disorderly, troublesome, under the influence of alcohol or drugs, and who fails or otherwise refuses to perform the work properly and acceptably, or is otherwise objectionable. Any person found to be objectionable shall be discharged immediately and shall not be re-hired on this work location or on any SSA/County facility.

2-04 **Loitering/Solicitation:** Contractor personnel shall not loiter on or about the premises during unscheduled hours and shall not solicit "odd jobs", extra work or, in any manner, harass or annoy tenants of the premises.

2-05 **Telephones:** shall not be used by the Contractor or its employees for personal or business reasons with the following exception(s):

A. Notification to the Orange County Sheriff of damage as required in this Contract.

B. To report need of medical aid, fire, or need of law enforcement, call 911.

Any calls to numbers other than those above shall be considered a violation of this Contract and grounds for immediate termination.

2-06 **Staff:** Personnel other than janitorial staff will not be allowed to enter the building (e.g. children, friends, relatives, etc. will not be authorized entry into the facility).

**SUBORDINATE CONTRACT  
MA-063-22010549  
WITH  
OMNI ENTERPRISE, INC.**

2-07 **Damage:** Contractor shall immediately report all security conditions and occurrences out of the norm to the Orange County Sheriff (714-288-6742) After business hours contact Facility's Analyst (714-245-6045)

2-08 **Restrictions:** Contractor's personnel shall not disturb papers on desks, open drawers or cabinets, or use radios, television sets, coffee pots, stoves or refrigerators, nor shall they tamper with any personal or COUNTY property.

Radios: Contractor's employees shall not use any of the County-owned two-way radios or special telecommunications equipment under any circumstances. No exceptions shall be made to this rule. Violation is grounds for immediate termination of this Contract, as well as appropriate punitive action.

2-09 **Identification/Uniforms:** All personnel shall wear uniforms, furnished by the Contractor, at all times during the performance of this work. The Contractor's supervisor may wear a badge in lieu of a uniform.

2-10 **Time Cards:** Contractor shall provide and maintain a biometric time card system on site in a janitor's closet. The system must be stand-alone and not require the use of the County's local computer network or telephone lines. Upon request from the County Project Manager or designee, time reports shall be furnished to the County to verify number of service hours performed at the site and on site personnel.

Contractor must:

- A. Not allow for the addition of new wiring to the facility for this function.
- B. Not be able to access County computer network or phone lines to run system.
- C. Use janitorial closet to install and maintain the system, if needed.
- D. Have a wireless system or have feature that allows for data to be downloaded and transported off site.

2-11 **Training:** Contractor shall have an ongoing training program for its entire staff. Contractor shall only provide personnel that have been fully trained for performance of this work. Supervisors shall have been trained in supervision as well as technical training in janitorial services.

2-12 **Schedule:** Within 10 days of the effective date of the Contract, Contractor shall provide a mutually agreeable schedule to the County Project Manager or designee for the monthly, quarterly and annual cleaning. Any deviation from this schedule must be approved by the County Project Manager or approved designee.

2-13 **Building Security**

- A. **Keys:** County will issue such keys and/or key cards as necessary for access to the service locations. Contractor shall assume full responsibility for theft or loss of said keys/key cards and shall pay for re-keying all locks operated by the issued keys. Keys shall not be duplicated.
- B. **Security System:** The work area may be protected by limited access security systems. An initial access code number may be issued to the Contractor by the County. Thereafter, all costs for changing the access code due to changes in personnel or required substitution of Contracts shall be paid by the Contractor and may be deducted from payments due or to become due to the Contractor. Furthermore, any alarms originating from the Contractor's operations shall also be paid by the Contractor and may be deducted from payments due or to become due to the Contractor.
- C. **Facility Security:** Contractor shall keep all doors locked while working in the building and doors shall not be propped open. Keys shall not be left in the doors. Contractor shall not admit a person into the building that is not a direct employee of the Contractor and not actively engaged in performance of the work. Contractor shall restrict access to the designated buildings and designated parking area. At no time shall the Contractor or its employees enter other areas of the facility not specifically included in this contract for janitorial services. The Contractor shall check all windows and doors for

- 3-02 **Periodic Services:** All periodic services shall be performed within the frequencies listed in these specifications. A written schedule shall be provided to the District Manager and Contract Facility Manager with dates and times when quarterly, semi-annual, and annual services will need to be provided.
- 3-03 **Staffing:** Contractor shall furnish to SSA Facilities Services a written schedule for each position used in cleaning the premises, indicating coverage by hours for each day and shift.
- Contractors proposed staff at full occupancy shall be the minimum numbers of personnel supplied by Contractor under such conditions. Reductions in Contractor staff shall be accomplished in a manner proportionate to reduction in building occupancy and use, subject to SSA Facilities Services approval.
- No allowances will be granted to compensate for additional personnel required to satisfy the optimum cleaning requirement of this agreement.
- 3-04. A **Emergency Back-Up Staff:** Contractor shall maintain and show evidence of an adequately back trained back-up force and supervisory staff ready to assist SSA/Facilities Services immediately in the event of flood, fire, natural/man-made disaster or any other emergency. It shall be the Contractor's responsibility to ensure that adequate coverage is provided.
- 3-04. B **Back-Up Staff for Daily Services:** It shall be the Contractor's responsibility to provide trained back-up staff whenever regular crew cannot be present.
- 3-05 **Supervision:** Contractor will provide a management level supervisor, assigned exclusively to the premises, to assure adequate supervision of all Contractor personnel on all shifts. Said supervisor shall be able to communicate effectively in both written and oral English. Contractor shall maintain and show evidence of an adequate management level supervisory staff who shall make periodic scheduled and unscheduled visits to the premises, a minimum of once a month both during building operating hours and when nightly cleaning services are being performed. The purpose of such visits is to ensure the maintenance of the optimum level of cleanliness and proper communication with SSA Facilities Services.

**SUBORDINATE CONTRACT  
MA-063-22010549  
WITH  
OMNI ENTERPRISE, INC.**

The supervisory staff will also be responsible for the following:

- A. Remain available on request by SSA Facilities Services to respond to complaints of any nature relating to activities of the cleaning staff,
- B. Immediate communication of all accident, damage or emergency reports to SSA Facilities Services,
- C. Secure access and lighting where necessary and instruct cleaning staff in efficient use of lighting on a task-oriented basis.

3-06 **Training:** Contractor shall have an ongoing training program for its entire staff. Contractor shall provide only personnel that have been fully trained for performance of this work. Supervisors shall have been trained in supervision as well as technical training in Janitorial and Day Porter Services.

**Section 4: Equipment and Supplies**

4-01 **Storage:** SSA Facilities Services shall provide secured area(s) on the premises for storage of Contractor's cleaning materials, chemicals and equipment. Contractor shall maintain all such area(s) in a clean, orderly and sanitary condition at all times to SSA Facilities Services' satisfaction and shall become part of the regular inspection.

The Contractor shall keep all tools, equipment, and supplies left on the job site in the janitor's storage closet and not in any other part of the building. Any and all flammable liquids shall be kept off premises. Rags and other flammable solids shall be kept in state fire marshal approved containers. All containers shall be properly labeled as to contents. If any toxic materials must be stored, it shall be labeled with name and proper antidotes. All buckets, wringers, mop sinks, and other tools and equipment shall be kept clean and free of objectionable odors. The floor/wall sink, whether porcelain or stainless steel is to be kept clean, and polished at all time.

4-02 **Environmental Protection:** Contractor agrees that all cleaning materials used on the premises will be those certified biodegradable and will return to their natural state/form within fifteen (15) days after entering the sewage system. Contractor will abide by any and all State and Federal environmental protection regulations existing or hereafter enacted during the term of this Contract.

4-03 **Equipment and Supplies:** All cleaning equipment shall be of the latest type consistent with good cleaning practices. All equipment shall be new or kept in good working order at all times and shall be replaced when obsolete or defective as determined by SSA Facilities Services. Any modification to equipment that is directed by SSA Facilities Services to prevent damage to any architectural finish of the premises will be at Contractor's expense. Contractor shall furnish, at its expense, all equipment, tools, supplies and dispensers to perform this work. The equipment, tools, supplies and dispensers shall include but not be limited to:

- A. **Equipment:** Wet and dry HEPA vacuum cleaners, (dry HEPA vacuums to have attached magnets), carpet extractors, janitorial carts, ladders, floor scrubbers, buffers/polishers and carpet pile lifter.
- B. **Tools:** Brooms, mops, mop presses, dustless sweeping tools, buckets, sponges, squeegees, buffing and stripping pads and hand floor-stripping tools.
- C. **Supplies:** Floor, glass, tile, and carpet cleaners (Manufactures Recommended); floor wax strippers, sealers, furniture, tile and metal waxes/polishes, wood restorer, acid base cleaners, disinfectants, deodorant blocks, sand for sand urns/ash trays, plastic trash can liners and antibacterial hand soap.
- D. **Paper Supplies:** Paper towels, toilet paper and toilet seat covers.

Note: Facilities have a high percentage of women staff and the usage of paper supplies is above average for its ratio.

- E. **Dispensers:** Paper towel, toilet paper, toilet seat cover dispensers and soap dispensers. Contractor must ensure that supplies match the size requirements of the installed dispensers.

OMNI ENTERPRISE, INC.**

4-04 **Quality, Safety and Effectiveness:** All cleaning supplies, materials and tools used in the performance of this Contract shall be of good commercial quality, suitable for the purpose intended and will not present unsafe conditions for the Public or County employees. All cleaning materials/supplies shall provide results necessary to provide the high standards of cleanliness required under this Contract. All cleaning processes used shall meet high standards of safety and effectiveness for commercial applications in high traffic areas and shall not damage the facilities being cleaned. The County shall have the right to prohibit the use of any process, material, supply or tool which may damage County property or which may be a risk to employees, the public or others using County facilities.

Note: The Contractor shall post copies of MSDS (Material Safety Data Sheets) for all chemicals used in each custodial closet in compliance with OSHA's Hazard Communication Standard 29 CFR 1910.1200. This shall include labeling the contents of all secondary type plastic bottles or containers

**A. Environmentally Preferable (Green) Products and Specifications**

Janitorial Cleaners & Products

Janitorial Cleaners and Products are divided into the following classifications: Hard surface/General-Purpose Cleaners; Biologically-based Cleaning and Degreasing Compounds; Disinfectants and Disinfecting Cleaners; Carpet & Upholstery Cleaners; and Floor-Care Products. These classifications cover products ranging from bathroom, carpet and upholstery, general purpose, window/glass, disinfectant, and industrial cleaners.

Contractor must purchase products in compliance with the maximum allowable Volatile Organic Compound content, under the California Code of Regulations (Article 2 Section 94509, Title 17). The current level of VOC content for this product category is 30%. Products must, at a minimum, meet this VOC requirement. Product performance should meet industry acceptable performance standards. All products must be compliant with California OSHA requirements.

Since improper use can affect the performance of green cleaning products, Contractor should provide training to maintenance staff on the proper use of the products. Training is considered essential for successful implementation.

1. Hard Surface/General-Purpose Cleaning Products

Hard surface cleaning products are used to remove both organic and inorganic soils from a variety of hard surfaces including plastic, glass, ceramic, metal, porcelain, rubber, leather, wood and stone. These products include bathroom cleaners, boat and bilge cleaners, cooking appliance cleaners, degreasers, dish cleaners, industrial cleaners, vehicle cleaners for household and institutional use, window and glass cleaners, and cleaning products with low potential for environmental illness.

The County defines an environmentally preferable hard surface/general-purpose cleaning product as one that is certified through one of the following agencies or has demonstrable evidence that it possesses the same attributes and standards of a certified product:

Environmentally Preferable Product Standards:

EcoLogo Standard CCD-146, [www.ecologo.org/en/greenproducts/](http://www.ecologo.org/en/greenproducts/)

Green Seal GS-37 & GS-34, [www.greenseal.org/](http://www.greenseal.org/)

EPA Design for the Environment (DfE) Program, [www.epa.gov/dfe](http://www.epa.gov/dfe)

Wood Cleaning: Any "Green" product

All products must comply with the standards set forth in the California Code of Regulations (Article 2 Section 94509, Title 17) and be California OSHA compliant.

**2. Biologically-Based Cleaning and Degreasing Compounds**

These are products used to remove soils from a variety of surfaces including plastic, glass, ceramic, metal, porcelain, rubber, leather, wood, and stone; can include the following product types: cleaners, bio based-general facility maintenance cleaners, cleaners, bio based cleaners all of which are generally 100 percent biodegradable and non-toxic.

The County defines an environmentally preferable biologically-based cleaning and degreasing product as one that is certified through one of the following agencies or has demonstrable evidence that it possesses the same attributes and standards of a certified product:

Environmentally Preferable Product Standards:

EcoLogo Standard CCD-110, [www.ecologo.org/en/greenproducts/](http://www.ecologo.org/en/greenproducts/)

EPA Design for the Environment (DfE) Program, [www.epa.gov/dfc](http://www.epa.gov/dfc)

Hand soap: Powdered – Luron, Boraxo MD-7, or a “green” product; Liquid -- non-abrasive, antibacterial; Waxie (Green) 380204;

All products must comply with the standards set forth in the California Code of Regulations (Article 2 Section 94509, Title 17) and be California OSHA compliant.

**3. Disinfectants and Disinfecting Cleaners**

Disinfectant cleaners are defined as liquid one-step cleaning and disinfecting products used in offices, schools, hospitals and retail settings. Disinfectant products covered under this document are also known as hard-surface disinfectants or low-level disinfectants, and serve to kill pathogenic microorganisms (bacteria, fungi) on hard non-porous surfaces.
