LEGISLATIVE COUNSEL'S DIGEST

AB 1869, Committee on Budget. Criminal fees.

(1) Existing law imposes various fees contingent upon a criminal arrest, prosecution, or conviction for the cost of administering the criminal justice system, including administering probation and mandatory supervision, processing arrests and citations, and administering home detention programs, continuous electronic monitoring programs, work furlough programs, and work release programs.

This bill would repeal the authority to collect many of these fees, among others. The bill would make the unpaid balance of these court-imposed costs unenforceable and uncollectible and would require any portion of a judgment imposing those costs to be vacated.

(2) Existing law allows the board of supervisors of any county to establish the office of the public defender and requires the public defender to defend, without expense to the defendant, any person who is not financially able to employ counsel and who is charged with the commission of a crime. Existing law allows the court to hold a hearing to determine whether a defendant owns an interest in real property or other assets and to impose a lien on the property. Upon conclusion of trial, existing law allows the court to make a determination of a defendant's present ability to pay all or a portion of the cost of the public defender. If the court finds that the defendant has the financial ability to pay, existing law requires the court to order the defendant to pay all or a part of the costs the court believes reasonable and compatible with the defendant's financial ability.

This bill would delete the authority of the court to impose liens on the defendant's property and make a post-trial determination of the defendant's

ability to pay and to order the defendant to pay the costs of the public defender. By requiring a county to provide a public defender without charge to a defendant who may have the ability to pay, this bill would impose a state-mandated local program.

(3) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

(4) The bill would appropriate \$50,000 from the General Fund to the Department of Finance to begin to implement the provisions of this bill, and would annually appropriate \$65,000,000 from the General Fund to the Controller beginning in the 2021–22 fiscal year to the 2025–26 fiscal year, inclusive, for allocation to counties to backfill revenues lost from the repeal of fees specified in this bill, as provided, thereby making an appropriation. The bill would state the intent of the Legislature to pursue legislation with the Budget Act of 2021 to finalize the funding allocation methodology for distribution to counties.

(5) This bill would declare that it is to take effect immediately as a bill providing for appropriations related to the Budget Bill.

Appropriation: yes.

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the following:

(a) Approximately 80 percent of Californians in jail are indigent and too many enter the criminal justice system due to the criminalization of their poverty.

(b) Incarcerated people are disproportionately Black or Latinx because these populations are overpoliced, have higher rates of convictions following an arrest, and have the highest rates of poverty. In fact, while Black Californians represent only 7 percent of the state population, they make up 23 percent of the Californians on probation and are also grossly overrepresented in felony and misdemeanor arrests.

(c) People exiting jail or prison face higher rates of unemployment and homelessness, due in part to racial discrimination and the impact of their criminal conviction.

(d) The inability to meet basic needs has been found to contribute to higher rates of recidivism and is a barrier to family reunification.

(e) According to a report by the Ella Baker Center for Human Rights, the average debt incurred for court-ordered fines and fees was roughly equal to the annual income for respondents in the survey.

(f) A national survey of formerly incarcerated people found that families often bear the burden of fees, and that 83 percent of the people responsible for paying these costs are women.

(g) Because these fees are often assigned to people who simply cannot afford to pay them, they make poor people, their families, and their communities poorer.

(h) Criminal justice fees have no formal punitive or public safety function. Instead, they undermine public safety because the debt they cause can limit access to employment, housing, education, and public benefits, which creates additional barriers to successful reentry. Research also shows that criminal justice fees can push individuals into underground economies and can result in individuals turning to criminal activity or predatory lending to pay their debts.

(i) Research shows that criminal justice fees are difficult to collect and typically cost counties almost as much or more than they end up collecting in revenue.

(j) The use of criminal justice fees has been argued by some to be unconstitutional. On February 20, 2019, the United States Supreme Court ruled unanimously in *Timbs v. Indiana* that the Eighth Amendment's Excessive Fines Clause is an incorporated protection applicable to the states and "protects people against abuses of government's punitive or criminal-law-enforcement authority." Justice Ginsburg wrote in her decision that the constitutional protection against excessive fines is "fundamental to our scheme of ordered liberty with deep roots in our history and tradition."

SEC. 2. It is the intent of the Legislature to eliminate the range of administrative fees that agencies and courts are authorized to impose to fund elements of the criminal legal system and to eliminate all outstanding debt incurred as a result of the imposition of administrative fees.

SEC. 3. Section 7158 of the Business and Professions Code is amended to read:

7158. (a) Any person who shall accept or receive a completion certificate or other evidence that performance of a contract for a work of improvement, including, but not limited to, a home improvement, is complete or satisfactorily concluded, with knowledge that the document is false and that the performance is not substantially completed, and who shall utter, offer, or use the document in connection with the making or accepting of any assignment or negotiation of the right to receive any payment from the owner, under or in connection with a contract, or for the purpose of obtaining or granting any credit or loan on the security of the right to receive any payment shall be guilty of a misdemeanor and subject to a fine of not less than five hundred dollars (\$500) nor more than five thousand dollars (\$5,000), or to imprisonment in the county jail for a term of not less than one month nor more than one year, or both.

(b) Any person who violates this section as part of a plan or scheme to defraud an owner of a residential or nonresidential structure, including a mobilehome or manufactured home, in connection with the offer or performance of repairs to the structure for damage caused by a natural

disaster, shall be ordered by the court to make full restitution to the victim based on the person's ability to pay, as defined in subdivision (e) of Section 1203.1b of the Penal Code. In addition to full restitution, and imprisonment authorized by subdivision (a), the court may impose a fine of not less than five hundred dollars (\$500) nor more than twenty-five thousand dollars (\$25,000), based upon the defendant's ability to pay. This subdivision applies to natural disasters for which a state of emergency is proclaimed by the Governor pursuant to Section 8625 of the Government Code or for which an emergency or major disaster is declared by the President of the United States.

(c) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

SEC. 4. Section 7158 is added to the Business and Professions Code, to read:

7158. (a) Any person who shall accept or receive a completion certificate or other evidence that performance of a contract for a work of improvement, including, but not limited to, a home improvement, is complete or satisfactorily concluded, with knowledge that the document is false and that the performance is not substantially completed, and who shall utter, offer, or use the document in connection with the making or accepting of any assignment or negotiation of the right to receive any payment from the owner, under or in connection with a contract, or for the purpose of obtaining or granting any credit or loan on the security of the right to receive any payment shall be guilty of a misdemeanor and subject to a fine of not less than five hundred dollars (\$500) nor more than five thousand dollars (\$5,000), or to imprisonment in the county jail for a term of not less than one month nor more than one year, or both.

(b) (1) Any person who violates this section as part of a plan or scheme to defraud an owner of a residential or nonresidential structure, including a mobilehome or manufactured home, in connection with the offer or performance of repairs to the structure for damage caused by a natural disaster, shall be ordered by the court to make full restitution to the victim based on the person's ability to pay, defined as the overall capability of the defendant to reimburse the costs, or a portion of the costs, including consideration of, but not limited to, all of the following:

(A) The defendant's present financial position.

(B) The defendant's reasonably discernible future financial position, provided that the court shall not consider a period of more than one year from the date of the hearing for purposes of determining the reasonably discernible future financial position of the defendant.

(C) The likelihood that the defendant will be able to obtain employment within one year from the date of the hearing.

(D) Any other factor that may bear upon the defendant's financial capability to reimburse the county for costs.

(2) In addition to full restitution, and imprisonment authorized by subdivision (a), the court may impose a fine of not less than five hundred

dollars (\$500) nor more than twenty-five thousand dollars (\$25,000), based upon the defendant's ability to pay. This subdivision applies to natural disasters for which a state of emergency is proclaimed by the Governor pursuant to Section 8625 of the Government Code or for which an emergency or major disaster is declared by the President of the United States.

(c) This section shall become operative on July 1, 2021.

SEC. 5. Section 7159.5 of the Business and Professions Code is amended to read:

7159.5. This section applies to all home improvement contracts, as defined in Section 7151.2, between an owner or tenant and a contractor, whether a general contractor or a specialty contractor, that is licensed or subject to be licensed pursuant to this chapter with regard to the transaction.

(a) Failure by the licensee or a person subject to be licensed under this chapter, or by their agent or salesperson, to comply with the following provisions is cause for discipline:

(1) The contract shall be in writing and shall include the agreed contract amount in dollars and cents. The contract amount shall include the entire cost of the contract, including profit, labor, and materials, but excluding finance charges.

(2) If there is a separate finance charge between the contractor and the person contracting for home improvement, the finance charge shall be set out separately from the contract amount.

(3) If a downpayment will be charged, the downpayment shall not exceed one thousand dollars (\$1,000) or 10 percent of the contract amount, whichever amount is less.

(4) If, in addition to a downpayment, the contract provides for payments to be made prior to completion of the work, the contract shall include a schedule of payments in dollars and cents specifically referencing the amount of work or services to be performed and any materials and equipment to be supplied.

(5) Except for a downpayment, the contractor shall neither request nor accept payment that exceeds the value of the work performed or material delivered.

(6) Upon any payment by the person contracting for home improvement, and prior to any further payment being made, the contractor shall, if requested, obtain and furnish to the person a full and unconditional release from any potential lien claimant claim or mechanics lien authorized pursuant to Sections 8400 and 8404 of the Civil Code for any portion of the work for which payment has been made. The person contracting for home improvement may withhold all further payments until these releases are furnished.

(7) If the contract provides for a payment of a salesperson's commission out of the contract price, that payment shall be made on a pro rata basis in proportion to the schedule of payments made to the contractor by the disbursing party in accordance with paragraph (4).

(8) A contractor furnishing a performance and payment bond, lien and completion bond, or a bond equivalent or joint control approved by the

If the contract provides for a contractor to furnish joint control, the contractor shall not have any financial or other interest in the joint control. Notwithstanding any other law, a licensee shall be licensed in this state in an active status for not less than two years prior to submitting an Application for Approval of Blanket Performance and Payment Bond as provided in Section 858.2 of Title 16 of the California Code of Regulations as it read on January 1, 2016.

(b) A violation of paragraph (1), (3), or (5) of subdivision (a) by a licensee or a person subject to be licensed under this chapter, or by their agent or salesperson, is a misdemeanor punishable by a fine of not less than one hundred dollars (\$100) nor more than five thousand dollars (\$5,000), or by imprisonment in a county jail not exceeding one year, or by both that fine and imprisonment.

7161. It is a misdemeanor for any person to engage in any of the following acts, the commission of which is cause for disciplinary action against any licensee or applicant:

(a) Using false, misleading, or deceptive advertising as an inducement to enter into any contract for a work of improvement, including, but not limited to, any home improvement contract, whereby any member of the public may be misled or injured.

(b) Making any substantial misrepresentation in the procurement of a contract for a home improvement or other work of improvement or making any false promise of a character likely to influence, persuade, or induce any person to enter into the contract.

(c) Any fraud in the execution of, or in the material alteration of, any contract, trust deed, mortgage, promissory note, or other document incident to a home improvement transaction or other transaction involving a work of improvement.

(d) Preparing or accepting any trust deed, mortgage, promissory note, or other evidence of indebtedness upon the obligations of a home improvement transaction or other transaction for a work of improvement with knowledge that it specifies a greater monetary obligation than the consideration for the improvement work, which consideration may be a time sale price.

If the court determines, or upon petition by the county financial evaluation officer is satisfied, that the party has the ability to pay all or part of the cost, it shall order the party to pay the sum to the county in any installments and manner which it believes reasonable and compatible with the party's ability to pay. Execution may be issued on the order in the same manner as on a judgment in a civil action. The order shall not be enforced by contempt.

(b) The court, or in a county which has a county financial evaluation officer, the board of supervisors, shall adjudge a standard by which to measure the cost of legal assistance provided, which standard shall reflect the actual cost of legal services provided. Appointed counsel shall provide evidence of the services performed pursuant to such standard.

29550. (a) (1) Subject to subdivision (d) of Section 29551, a county may impose a fee upon a city, special district, school district, community college district, college, or university for reimbursement of county expenses incurred with respect to the booking or other processing of persons arrested by an employee of that city, special district, school district, community college district, college, or university, where the arrested persons are brought to the county jail for booking or detention. The fee imposed by a county pursuant to this section shall not exceed the actual administrative costs, including applicable overhead costs as permitted by federal Circular A-87 standards, as defined in subdivision (d), incurred in booking or otherwise

processing arrested persons. For the 2005–06 fiscal year and each fiscal year thereafter, the fee imposed by a county pursuant to this subdivision shall not exceed one-half of the actual administrative costs, including applicable overhead costs as permitted by federal Circular A-87 standards, as defined in subdivision (d), incurred in booking or otherwise processing arrested persons. A county may submit an invoice to a city, special district, school district, community college district, college, or university for these expenses incurred by the county on and after July 1, 1990. Counties shall fully disclose the costs allocated as federal Circular A-87 overhead.

(2) Any county that imposes a fee pursuant to this section shall negotiate a reduced fee with any city, special district, school district, community college district, college, or university within the county for any services that are performed by the arresting agency in the processing of arrestees that do not have to be duplicated by the county.

(3) This subdivision shall not apply to counties that are under a contractual agreement with a city, special district, school district, community college district, college, or university within the county that is subject to the fee.

(b) The exemption of a local agency from the payment of a fee pursuant to this subdivision does not exempt the person arrested from the payment of fees for booking or other processing.

(1) Notwithstanding subdivision (a), a city, special district, school district, community college district, college, or university shall not be charged fees for arrests on any bench warrant for failure to appear in court, nor on any arrest warrant issued in connection with a crime not committed within the entity's jurisdiction.

(2) Notwithstanding subdivision (a), a city, special district, school district, community college district, college, or university shall not be charged fees for a person who is ordered by a court to be remanded to the county jail except that a county may charge a fee to recover those direct costs for those functions required to book a person pursuant to subdivision (g) of Section 853.6 of the Penal Code.

(3) Notwithstanding subdivision (a), a city, special district, school district, community college district, college, or university shall not be charged fees for arrests made pursuant to arrest warrants originating outside of its jurisdiction.

(4) Notwithstanding subdivision (a), no fees shall be charged to a city, special district, school district, community college district, college, or university on parole violation arrests or probation-ordered returns to custody, unless a new charge has been filed for a crime committed in the jurisdiction of the arresting city, district, college, or university.

(5) An agency making a mutual aid request shall pay fees in accordance with subdivision (a) that result from arrests made in response to the mutual aid request except that in the event the Governor declares a state of emergency, no agency shall be charged fees for any arrest made during any riot, disturbance, or event that is subject to the declaration.

(6) Notwithstanding subdivision (a), no fees shall be charged to a city, special district, school district, community college district, college, or

university for the arrest of a prisoner who has escaped from a county, state, or federal detention or corrections facility.

(7) Notwithstanding subdivision (a), no fees shall be charged to a city, special district, school district, community college district, college, or university for arrestees held in temporary detention at a court facility for purposes of arraignment when the arrestee has been previously booked at an entity detention facility.

(8) Notwithstanding subdivision (a), no fees shall be charged to a city, special district, school district, community college district, college, or university as the result of an arrest made by its officer assigned to a formal multiagency task force in which the county is a participant. For the purposes of this section, “formal task force” means a task force that has been established by written agreement of the participating agencies.

(9) In those counties where the cities and the county participate in a consolidated booking program and where prior to arraignment an arrestee is transferred from a city detention facility to a county detention facility, the city shall not be charged for those tasks listed in subdivision (d) that are a part of the consolidated booking program which were completed by the city prior to delivering the arrestee to the county detention facility. However, the county may charge the actual administrative costs for those additional tasks listed in subdivision (d) that are performed in order to receive the arrestee into the county detention facility. For the 2005–06 fiscal year and each fiscal year thereafter, the county may charge up to one-half of the actual administrative costs for those additional tasks listed in subdivision (d) that are performed in order to receive the arrestee into the county detention facility.

(c) Any county whose officer or agent arrests a person is entitled to recover from the arrested person a criminal justice administration fee for administrative costs it incurs in conjunction with the arrest if the person is convicted of any criminal offense related to the arrest, whether or not it is the offense for which the person was originally booked. The fee which the county is entitled to recover pursuant to this subdivision shall not exceed the actual administrative costs, including applicable overhead costs incurred in booking or otherwise processing arrested persons.

(d) When the court has been notified in a manner specified by the court that a criminal justice administration fee is due the agency:

(1) A judgment of conviction may impose an order for payment of the amount of the criminal justice administration fee by the convicted person, and execution may be issued on the order in the same manner as a judgment in a civil action, but shall not be enforceable by contempt.

(2) The court shall, as a condition of probation, order the convicted person, based on the convicted person’s ability to pay, to reimburse the county for the criminal justice administration fee, including applicable overhead costs.

(e) As used in this section, “actual administrative costs” include only those costs for functions that are performed in order to receive an arrestee into a county detention facility. Operating expenses of the county jail facility

including capital costs and those costs involved in the housing, feeding, and care of inmates shall not be included in calculating “actual administrative costs.” “Actual administrative costs” may include the cost of notifying any local agency, special district, school district, community college district, college, or university of any change in the fee charged by a county pursuant to this section. “Actual administrative costs” may include any one or more of the following as related to receiving an arrestee into the county detention facility:

(1) The searching, wristbanding, bathing, clothing, fingerprinting, photographing, and medical and mental screening of an arrestee.

(2) Document preparation, retrieval, updating, filing, and court scheduling related to receiving an arrestee into the detention facility.

(3) Warrant service, processing, and detainer.

(4) Inventory of an arrestee’s money and creation of cash accounts.

(5) Inventory and storage of an arrestee’s property.

(6) Inventory, laundry, and storage of an arrestee’s clothing.

(7) The classification of an arrestee.

(8) The direct costs of automated services utilized in paragraphs (1) to (7), inclusive.

(9) Unit management and supervision of the detention function as related to paragraphs (1) to (8), inclusive.

(f) An administrative screening fee of twenty-five dollars (\$25) shall be collected from each person arrested and released on their own recognizance upon conviction of any criminal offense related to the arrest other than an infraction. A citation processing fee in the amount of ten dollars (\$10) shall be collected from each person cited and released by any peace officer in the field or at a jail facility upon conviction of any criminal offense, other than an infraction, related to the criminal offense cited in the notice to appear. However, the court may determine a lesser fee than otherwise provided in this subdivision upon a showing that the defendant is unable to pay the full amount. All fees collected pursuant to this subdivision shall be transmitted by the county auditor monthly to the Controller for deposit in the General Fund. This subdivision applies only to convictions occurring on or after the effective date of the act adding this subdivision and prior to June 30, 1996.

(g) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

(6) Notwithstanding subdivision (a), no fees shall be charged to a city, special district, school district, community college district, college, or university for the arrest of a prisoner who has escaped from a county, state, or federal detention or corrections facility.

(7) Notwithstanding subdivision (a), no fees shall be charged to a city, special district, school district, community college district, college, or university for arrestees held in temporary detention at a court facility for purposes of arraignment when the arrestee has been previously booked at an entity detention facility.

(8) Notwithstanding subdivision (a), no fees shall be charged to a city, special district, school district, community college district, college, or university as the result of an arrest made by its officer assigned to a formal multiagency task force in which the county is a participant. For the purposes of this section, “formal task force” means a task force that has been established by written agreement of the participating agencies.

(9) In those counties where the cities and the county participate in a consolidated booking program and where prior to arraignment an arrestee is transferred from a city detention facility to a county detention facility, the city shall not be charged for those tasks listed in subdivision (c) that are a part of the consolidated booking program which were completed by the city prior to delivering the arrestee to the county detention facility. However, the county may charge the actual administrative costs for those additional tasks listed in subdivision (c) that are performed in order to receive the arrestee into the county detention facility. For the 2005–06 fiscal year and each fiscal year thereafter, the county may charge up to one-half of the actual administrative costs for those additional tasks listed in subdivision (c) that are performed in order to receive the arrestee into the county detention facility.

(c) As used in this section, “actual administrative costs” include only those costs for functions that are performed in order to receive an arrestee into a county detention facility. Operating expenses of the county jail facility including capital costs and those costs involved in the housing, feeding, and care of inmates shall not be included in calculating “actual administrative costs.” “Actual administrative costs” may include the cost of notifying any local agency, special district, school district, community college district, college, or university of any change in the fee charged by a county pursuant to this section. “Actual administrative costs” may include any one or more of the following as related to receiving an arrestee into the county detention facility:

- (1) The searching, wristbanding, bathing, clothing, fingerprinting, photographing, and medical and mental screening of an arrestee.
- (2) Document preparation, retrieval, updating, filing, and court scheduling related to receiving an arrestee into the detention facility.
- (3) Warrant service, processing, and detainer.
- (4) Inventory of an arrestee’s money and creation of cash accounts.
- (5) Inventory and storage of an arrestee’s property.
- (6) Inventory, laundry, and storage of an arrestee’s clothing.

- (7) The classification of an arrestee.
- (8) The direct costs of automated services utilized in paragraphs (1) to (7), inclusive.
- (9) Unit management and supervision of the detention function as related to paragraphs (1) to (8), inclusive.
- (d) This section shall become operative on July 1, 2021.

SEC. 24. Section 29550.1 of the Government Code is amended to read:

29550.1. (a) Any city, special district, school district, community college district, college, university, or other local arresting agency whose officer or agent arrests a person is entitled to recover any criminal justice administration fee imposed by a county from the arrested person if the person is convicted of any criminal offense related to the arrest. A judgment of conviction shall contain an order for payment of the amount of the criminal justice administration fee by the convicted person, and execution shall be issued on the order in the same manner as a judgment in a civil action, but the order shall not be enforceable by contempt. The court shall, as a condition of probation, order the convicted person to reimburse the city, special district, school district, community college district, college, university, or other local arresting agency for the criminal justice administration fee.

(b) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

SEC. 25. Section 29550.2 of the Government Code is amended to read:

29550.2. (a) Any person booked into a county jail pursuant to any arrest by any governmental entity not specified in Section 29550 or 29550.1 is subject to a criminal justice administration fee for administration costs incurred in conjunction with the arresting and booking if the person is convicted of any criminal offense relating to the arrest and booking. The fee which the county is entitled to recover pursuant to this subdivision shall not exceed the actual administrative costs, as defined in subdivision (c), including applicable overhead costs as permitted by federal Circular A 87 standards, incurred in booking or otherwise processing arrested persons. If the person has the ability to pay, a judgment of conviction shall contain an order for payment of the amount of the criminal justice administration fee by the convicted person, and execution shall be issued on the order in the same manner as a judgment in a civil action, but the order shall not be enforceable by contempt. The court shall, as a condition of probation, order the convicted person to reimburse the county for the criminal justice administration fee.

(b) All fees collected by a county as provided in this section and Section 29550, may be deposited into a special fund in that county which shall be used exclusively for the operation, maintenance, and construction of county jail facilities.

(c) As used in this section, “actual administrative costs” include only those costs for functions that are performed in order to receive an arrestee into a county detention facility. Operating expenses of the county jail facility

including capital costs and those costs involved in the housing, feeding, and care of inmates shall not be included in calculating “actual administrative costs.” “Actual administrative costs” may include any one or more of the following as related to receiving an arrestee into the county detention facility:

- (1) The searching, wristbanding, bathing, clothing, fingerprinting, photographing, and medical and mental screening of an arrestee.
 - (2) Document preparation, retrieval, updating, filing, and court scheduling related to receiving an arrestee into the detention facility.
 - (3) Warrant service, processing, and detainer.
 - (4) Inventory of an arrestee’s money and creation of cash accounts.
 - (5) Inventory and storage of an arrestee’s property.
 - (6) Inventory, laundry, and storage of an arrestee’s clothing.
 - (7) The classification of an arrestee.
 - (8) The direct costs of automated services utilized in paragraphs (1) to (7), inclusive.
 - (9) Unit management and supervision of the detention function as related to paragraphs (1) to (8), inclusive.
- (d) It is the Legislature’s intent in providing the definition of “actual administrative costs” for purposes of this section that this definition be used in determining the fees for the governmental entities referenced in subdivision (a) only. In interpreting the phrases “actual administrative costs,” “criminal justice administration fee,” “booking,” or “otherwise processing” in Section 29550 or 29550.1, it is the further intent of the Legislature that the courts shall not look to this section for guidance on what the Legislature may have intended when it enacted those sections.

(e) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

SEC. 26. Section 29550.3 of the Government Code is amended to read:

29550.3. (a) A city which books or processes persons to a jail administered by it and which does not otherwise incur an administrative fee from the county, may establish and collect an administrative fee for an arrested person pursuant to the same standards and procedures set forth in Section 29550.1.

(b) Any city whose officer or agent arrests a person is entitled to recover from the arrested person a criminal justice administration fee for administrative costs it incurs in conjunction with the arrest if the person is convicted of any criminal offense related to the arrest, whether or not it is the offense for which the person was originally booked.

(c) Any booking fee imposed pursuant to this section shall be charged to the person booked and not to the arresting entity.

(d) Nothing in this section shall be construed to limit the ability of any city to enter into agreements with other local arresting agencies authorizing the imposition of a criminal justice administration fee by that city upon those local arresting agencies for reimbursement of expenses incurred with respect to the booking or other processing of persons into a jail facility operated by that city.

(e) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

The funds in the local detention facility revenue account shall be used exclusively for the purpose of operation, renovation, remodeling, or constructing local detention facilities and related equipment.

(b) (1) If an appropriation for the purposes specified in Section 29552 is made in any fiscal year, a county, city and county, or city, may charge a jail access fee to a local agency that exceeds the agency's three-year average number of nonfelony bookings for crimes listed in paragraph (2) at a rate not to exceed the actual cost of booking an arrested person into the local detention facility, for each booking in excess of the three-year average. A local agency's three-year average number of nonfelony bookings for crimes listed in paragraph (2) shall be recalculated each year. The jail access fee shall be calculated and paid on a monthly basis, and all revenue derived from the jail access fee shall be deposited into the local detention facility revenue account created pursuant to subdivision (a).

(B) Misdemeanor violations, except driving-under-the-influence offenses and domestic violence misdemeanor offenses, including enforcement of protective orders.

(c) Cities that operate Type One facilities within a county shall be eligible to receive funds from the county's local detention facility revenue account. Cities that operate Type One facilities and charged booking fees pursuant to Section 29550.3 during the 2006–07 fiscal year shall receive funds in an amount proportional to the number of persons booked into the city's Type One facility for which the city charged fees to the arresting agency.

(e) The maximum rate of the fee charged by each local agency pursuant to subdivision (d) shall be the rate charged as of June 30, 2006, pursuant to Section 29550 or 29550.3, increased for each subsequent fiscal year by the California Consumer Price Index as reported by the Department of Finance plus 1 percent, compounded annually.

(f) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

The funds in the local detention facility revenue account shall be used exclusively for the purpose of operation, renovation, remodeling, or constructing local detention facilities and related equipment.

(b) (1) If an appropriation for the purposes specified in Section 29552 is made in any fiscal year, a county, city and county, or city, may charge a jail access fee to a local agency that exceeds the agency's three-year average number of nonfelony bookings for crimes listed in paragraph (2) at a rate not to exceed the actual cost of booking an arrested person into the local detention facility, for each booking in excess of the three-year average. A local agency's three-year average number of nonfelony bookings for crimes listed in paragraph (2) shall be recalculated each year. The jail access fee shall be calculated and paid on a monthly basis, and all revenue derived from the jail access fee shall be deposited into the local detention facility revenue account created pursuant to subdivision (a).

(2) Bookings for violations of each of the following shall be used to determine a local agency's three-year average:

(b) The people of the State of California set forth all of the following:

(1) Deoxyribonucleic acid (DNA) and forensic identification analysis is a useful law enforcement tool for identifying and prosecuting criminal offenders and exonerating the innocent.

(2) It is the intent of the people of the State of California, in order to further the purposes of this chapter, to require DNA and forensic identification data bank samples from all persons, including juveniles, for the felony and misdemeanor offenses described in subdivision (a) of Section 296.

(3) It is necessary to enact this act defining and governing the state's DNA and forensic identification database and data bank in order to clarify existing law and to enable the state's DNA and Forensic Identification Database and Data Bank Program to become a more effective law enforcement tool.

(c) The purpose of the DNA and Forensic Identification Database and Data Bank Program is to assist federal, state, and local criminal justice and law enforcement agencies within and outside California in the expeditious and accurate detection and prosecution of individuals responsible for sex offenses and other crimes, the exclusion of suspects who are being investigated for these crimes, and the identification of missing and unidentified persons, particularly abducted children.

(d) Like the collection of fingerprints, the collection of DNA samples pursuant to this chapter is an administrative requirement to assist in the accurate identification of criminal offenders.

(e) Unless otherwise requested by the Department of Justice, collection of biological samples for DNA analysis from qualifying persons under this chapter is limited to collection of inner cheek cells of the mouth (buccal swab samples).

(f) The Department of Justice DNA Laboratory may obtain through federal, state, or local law enforcement agencies blood specimens from qualifying persons as defined in subdivision (a) of Section 296, and according to procedures set forth in Section 298, when it is determined in the discretion of the Department of Justice that such specimens are necessary in a particular case or would aid the department in obtaining an accurate forensic DNA profile for identification purposes.

(g) The Department of Justice, through its DNA Laboratory, shall be responsible for the management and administration of the state's DNA and Forensic Identification Database and Data Bank Program and for liaison with the Federal Bureau of Investigation (FBI) regarding the state's participation in a national or international DNA database and data bank program such as the FBI's Combined DNA Index System (CODIS) that allows the storage and exchange of DNA records submitted by state and local forensic DNA laboratories nationwide.

(h) The Department of Justice shall be responsible for implementing this chapter.

(1) The Department of Justice DNA Laboratory, and the Department of Corrections and Rehabilitation may adopt policies and enact regulations for the implementation of this chapter, as necessary, to give effect to the intent and purpose of this chapter, and to ensure that data bank blood specimens, buccal swab samples, and thumb and palm print impressions as required by this chapter are collected from qualifying persons in a timely manner, as soon as possible after arrest, conviction, or a plea or finding of guilty, no contest, or not guilty by reason of insanity, or upon any disposition rendered in the case of a juvenile who is adjudicated under Section 602 of the Welfare and Institutions Code for commission of any of this chapter's enumerated qualifying offenses, including attempts, or when it is determined that a qualifying person has not given the required specimens, samples, or print impressions. Before adopting any policy or regulation implementing this chapter, the Department of Corrections and Rehabilitation shall seek advice from and consult with the Department of Justice DNA Laboratory Director.

(2) Given the specificity of this chapter, and except as provided in subdivision (c) of Section 298.1, any administrative bulletins, notices, regulations, policies, procedures, or guidelines adopted by the Department of Justice and its DNA Laboratory or the Department of Corrections and Rehabilitation for the purpose of implementing this chapter are exempt from the provisions of the Administrative Procedure Act, Chapter 3.5 (commencing with Section 11340), Chapter 4 (commencing with Section 11370), Chapter 4.5 (commencing with Section 11400), and Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.

inclusion in the CODIS database, and the number of profiles uploaded into the CODIS database for the reporting period. Each quarterly report shall state the total, annual, and quarterly number of qualifying profiles in the Department of Justice DNA Laboratory data bank both from persons and case evidence, and the number of hits and investigations aided, as reported to the National DNA Index System. The quarterly report shall also confirm the laboratory's accreditation status and participation in CODIS and shall include an accounting of the funds collected, expended, and disbursed pursuant to subdivision (k).

(5) On or before April 1 in the year following adoption of the act that added this paragraph, and quarterly thereafter, the Department of Corrections and Rehabilitation shall submit a quarterly report to be published electronically on a Department of Corrections and Rehabilitation internet website and made available for public review. available to the prosecution only for purposes of investigation of an alleged offense of perjury based upon false material contained in the financial statement at the conclusion of the proceedings for which the financial statement was required to be submitted. The financial statement and other financial information obtained from the defendant shall not be confidential and privileged in a proceeding under Section 987.8.

(d) In a capital case, the court may appoint an additional attorney as a cocounsel upon a written request of the first attorney appointed. The request shall be supported by an affidavit of the first attorney setting forth in detail the reasons why a second attorney should be appointed. Any affidavit filed with the court shall be confidential and privileged. The court shall appoint a second attorney when it is convinced by the reasons stated in the affidavit that the appointment is necessary to provide the defendant with effective representation. If the request is denied, the court shall state on the record its reasons for denial of the request.

(e) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

SEC. 32. Section 987 is added to the Penal Code, to read:

987. (a) In a noncapital case, if the defendant appears for arraignment without counsel, the defendant shall be informed by the court that it is their right to have counsel before being arraigned, and shall be asked if they desire the assistance of counsel. If the defendant desires and is unable to employ counsel the court shall assign counsel to defend them.

(b) In a capital case, if the defendant appears for arraignment without counsel, the court shall inform the defendant that they shall be represented by counsel at all stages of the preliminary and trial proceedings and that the representation is at their expense if they are able to employ counsel or at public expense if they are unable to employ counsel, inquire of them whether they are able to employ counsel and, if so, whether they desire to employ counsel of their choice or to have counsel assigned, and allow them a reasonable time to send for their chosen or assigned counsel. If the defendant is unable to employ counsel, the court shall assign counsel to defend them. If the defendant is able to employ counsel and either refuses to employ counsel or appears without counsel after having had a reasonable time to employ counsel, the court shall assign counsel.

The court shall at the first opportunity inform the defendant's trial counsel, whether retained by the defendant or court-appointed, of the additional duties imposed upon trial counsel in any capital case as set forth in paragraph (1) of subdivision (b) of Section 1240.1.

(c) In order to assist the court in determining whether a defendant is able to employ counsel in any case, the court may require a defendant to file a financial statement or other financial information under penalty of perjury with the court or, in its discretion, order a defendant to appear before a county officer designated by the court to make an inquiry into the ability of the defendant to employ their own counsel. If a county officer is designated, the county officer shall provide to the court a written

recommendation and the reason or reasons in support of the recommendation. The determination by the court shall be made on the record. Except as provided in Section 1214, the financial statement or other financial information obtained from the defendant shall be confidential and privileged and shall not be admissible in evidence in any criminal proceeding except the prosecution of an alleged offense of perjury based upon false material contained in the financial statement. The financial statement shall be made available to the prosecution only for purposes of investigation of an alleged offense of perjury based upon false material contained in the financial statement at the conclusion of the proceedings for which the financial statement was required to be submitted.

(d) In a capital case, the court may appoint an additional attorney as a cocounsel upon a written request of the first attorney appointed. The request shall be supported by an affidavit of the first attorney setting forth in detail the reasons why a second attorney should be appointed. Any affidavit filed with the court shall be confidential and privileged. The court shall appoint a second attorney when it is convinced by the reasons stated in the affidavit that the appointment is necessary to provide the defendant with effective representation. If the request is denied, the court shall state on the record its reasons for denial of the request.

(e) This section shall become operative on July 1, 2021.

SEC. 33. Section 987.2 of the Penal Code is amended to read:

987.2. (a) In any case in which a person, including a person who is a minor, desires but is unable to employ counsel, and in which counsel is assigned in the superior court to represent the person in a criminal trial, proceeding, or appeal, the following assigned counsel shall receive a reasonable sum for compensation and for necessary expenses, the amount of which shall be determined by the court, to be paid out of the general fund of the county:

(1) In a county or city and county in which there is no public defender.

(2) In a county of the first, second, or third class where there is no contract for criminal defense services between the county and one or more responsible attorneys.

(3) In a case in which the court finds that, because of a conflict of interest or other reasons, the public defender has properly refused.

(4) In a county of the first, second, or third class where attorneys contracted by the county are unable to represent the person accused.

(b) The sum provided for in subdivision (a) may be determined by contract between the court and one or more responsible attorneys after consultation with the board of supervisors as to the total amount of compensation and expenses to be paid, which shall be within the amount of funds allocated by the board of supervisors for the cost of assigned counsel in those cases.

(c) In counties that utilize an assigned private counsel system as either the primary method of public defense or as the method of appointing counsel in cases where the public defender is unavailable, the county, the courts, or

the local county bar association working with the courts are encouraged to do all of the following:

(1) Establish panels that shall be open to members of the State Bar of California.

(2) Categorize attorneys for panel placement on the basis of experience.

(3) Refer cases to panel members on a rotational basis within the level of experience of each panel, except that a judge may exclude an individual attorney from appointment to an individual case for good cause.

(4) Seek to educate those panel members through an approved training program.

(5) Establish a cost-efficient plan to ensure maximum recovery of costs pursuant to Section 987.8.

(d) In a county of the first, second, or third class, the court shall first utilize the services of the public defender to provide criminal defense services for indigent defendants. In the event that the public defender is unavailable and the county and the courts have contracted with one or more responsible attorneys or with a panel of attorneys to provide criminal defense services for indigent defendants, the court shall utilize the services of the county-contracted attorneys prior to assigning any other private counsel. Nothing in this subdivision shall be construed to require the appointment of counsel in any case in which the counsel has a conflict of interest. In the interest of justice, a court may depart from that portion of the procedure requiring appointment of a county-contracted attorney after making a finding of good cause and stating the reasons therefor on the record.

(e) In a county of the first, second, or third class, the court shall first utilize the services of the public defender to provide criminal defense services for indigent defendants. In the event that the public defender is unavailable and the county has created a second public defender and contracted with one or more responsible attorneys or with a panel of attorneys to provide criminal defense services for indigent defendants, and if the quality of representation provided by the second public defender is comparable to the quality of representation provided by the public defender, the court shall next utilize the services of the second public defender and then the services of the county-contracted attorneys prior to assigning any other private counsel. Nothing in this subdivision shall be construed to require the appointment of counsel in any case in which the counsel has a conflict of interest. In the interest of justice, a court may depart from that portion of the procedure requiring appointment of the second public defender or a county-contracted attorney after making a finding of good cause and stating the reasons therefor on the record.

(f) In any case in which counsel is assigned as provided in subdivision (a), that counsel appointed by the court and any court-appointed licensed private investigator shall have the same rights and privileges to information as the public defender and the public defender investigator. It is the intent of the Legislature in enacting this subdivision to equalize any disparity that exists between the ability of private, court-appointed counsel and investigators, and public defenders and public defender investigators, to

represent their clients. This subdivision is not intended to grant to private investigators access to any confidential Department of Motor Vehicles' information not otherwise available to them. This subdivision is not intended to extend to private investigators the right to issue subpoenas.

(g) Notwithstanding any other provision of this section, where an indigent defendant is first charged in one county and establishes an attorney-client relationship with the public defender, defense services contract attorney, or private attorney, and where the defendant is then charged with an offense in a second or subsequent county, the court in the second or subsequent county may appoint the same counsel as was appointed in the first county to represent the defendant when all of the following conditions are met:

(1) The offense charged in the second or subsequent county would be joinable for trial with the offense charged in the first if it took place in the same county, or involves evidence which would be cross-admissible.

(2) The court finds that the interests of justice and economy will be best served by unitary representation.

(3) Counsel appointed in the first county consents to the appointment.

(h) The county may recover costs of public defender services under Chapter 6 (commencing with Section 4750) of Title 5 of Part 3 for any case subject to Section 4750.

(i) Counsel shall be appointed to represent, in a misdemeanor case, a person who desires but is unable to employ counsel, when it appears that the appointment is necessary to provide an adequate and effective defense for the defendant. Appointment of counsel in an infraction case is governed by Section 19.6.

(j) As used in this section, "county of the first, second, or third class" means the county of the first class, county of the second class, and county of the third class as provided by Sections 28020, 28022, 28023, and 28024 of the Government Code.

(k) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

SEC. 34. Section 987.2 is added to the Penal Code, to read:

987.2. (a) In any case in which a person, including a person who is a minor, desires but is unable to employ counsel, and in which counsel is assigned in the superior court to represent the person in a criminal trial, proceeding, or appeal, the following assigned counsel shall receive a reasonable sum for compensation and for necessary expenses, the amount of which shall be determined by the court, to be paid out of the general fund of the county:

(1) In a county or city and county in which there is no public defender.

(2) In a county of the first, second, or third class where there is no contract for criminal defense services between the county and one or more responsible attorneys.

(3) In a case in which the court finds that, because of a conflict of interest or other reasons, the public defender has properly refused.

(4) In a county of the first, second, or third class where attorneys contracted by the county are unable to represent the person accused.

(b) The sum provided for in subdivision (a) may be determined by contract between the court and one or more responsible attorneys after consultation with the board of supervisors as to the total amount of compensation and expenses to be paid, which shall be within the amount of funds allocated by the board of supervisors for the cost of assigned counsel in those cases.

(c) In counties that utilize an assigned private counsel system as either the primary method of public defense or as the method of appointing counsel in cases where the public defender is unavailable, the county, the courts, or the local county bar association working with the courts are encouraged to do all of the following:

(1) Establish panels that shall be open to members of the State Bar of California.

(2) Categorize attorneys for panel placement on the basis of experience.

(3) Refer cases to panel members on a rotational basis within the level of experience of each panel, except that a judge may exclude an individual attorney from appointment to an individual case for good cause.

(4) Seek to educate those panel members through an approved training program.

(d) In a county of the first, second, or third class, the court shall first utilize the services of the public defender to provide criminal defense services for indigent defendants. In the event that the public defender is unavailable and the county and the courts have contracted with one or more responsible attorneys or with a panel of attorneys to provide criminal defense services for indigent defendants, the court shall utilize the services of the county-contracted attorneys prior to assigning any other private counsel. Nothing in this subdivision shall be construed to require the appointment of counsel in any case in which the counsel has a conflict of interest. In the interest of justice, a court may depart from that portion of the procedure requiring appointment of a county-contracted attorney after making a finding of good cause and stating the reasons therefor on the record.

(e) In a county of the first, second, or third class, the court shall first utilize the services of the public defender to provide criminal defense services for indigent defendants. In the event that the public defender is unavailable and the county has created a second public defender and contracted with one or more responsible attorneys or with a panel of attorneys to provide criminal defense services for indigent defendants, and if the quality of representation provided by the second public defender is comparable to the quality of representation provided by the public defender, the court shall next utilize the services of the second public defender and then the services of the county-contracted attorneys prior to assigning any other private counsel. Nothing in this subdivision shall be construed to require the appointment of counsel in any case in which the counsel has a conflict of interest. In the interest of justice, a court may depart from that portion of the procedure requiring appointment of the second public defender or a

county-contracted attorney after making a finding of good cause and stating the reasons therefor on the record.

(f) In any case in which counsel is assigned as provided in subdivision (a), that counsel appointed by the court and any court-appointed licensed private investigator shall have the same rights and privileges to information as the public defender and the public defender investigator. It is the intent of the Legislature in enacting this subdivision to equalize any disparity that exists between the ability of private, court-appointed counsel and investigators, and public defenders and public defender investigators, to represent their clients. This subdivision is not intended to grant to private investigators access to any confidential Department of Motor Vehicles' information not otherwise available to them. This subdivision is not intended to extend to private investigators the right to issue subpoenas.

(g) Notwithstanding any other provision of this section, where an indigent defendant is first charged in one county and establishes an attorney-client relationship with the public defender, defense services contract attorney, or private attorney, and where the defendant is then charged with an offense in a second or subsequent county, the court in the second or subsequent county may appoint the same counsel as was appointed in the first county to represent the defendant when all of the following conditions are met:

(1) The offense charged in the second or subsequent county would be joinable for trial with the offense charged in the first if it took place in the same county, or involves evidence which would be cross-admissible.

(2) The court finds that the interests of justice and economy will be best served by unitary representation.

(3) Counsel appointed in the first county consents to the appointment.

(h) The county may recover costs of public defender services under Chapter 6 (commencing with Section 4750) of Title 5 of Part 3 for any case subject to Section 4750.

(i) Counsel shall be appointed to represent, in a misdemeanor case, a person who desires but is unable to employ counsel, when it appears that the appointment is necessary to provide an adequate and effective defense for the defendant. Appointment of counsel in an infraction case is governed by Section 19.6.

(j) As used in this section, "county of the first, second, or third class" means the county of the first class, county of the second class, and county of the third class as provided by Sections 28020, 28022, 28023, and 28024 of the Government Code.

(k) This section shall become operative on July 1, 2021.

SEC. 35. Section 987.4 of the Penal Code is amended to read:

987.4. (a) When the public defender or an assigned counsel represents a person who is a minor in a criminal proceeding, at the expense of a county, the court may order the parent or guardian of such minor to reimburse the county for all or any part of such expense, if it determines that the parent or guardian has the ability to pay such expense.

(b) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

SEC. 36. Section 987.5 of the Penal Code is amended to read:

987.5. (a) Every defendant shall be assessed a registration fee not to exceed fifty dollars (\$50) when represented by appointed counsel. Notwithstanding this subdivision, no fee shall be required of any defendant that is financially unable to pay the fee.

(b) At the time of appointment of counsel by the court, or upon commencement of representation by the public defender, if prior to court appointment, the defendant shall be asked if they are financially able to pay the registration fee or any portion thereof. If the defendant indicates that they are able to pay the fee or a portion thereof, the court or public defender shall make an assessment in accordance with ability to pay. No fee shall be assessed against any defendant who asserts that they are unable to pay the fee or any portion thereof. No other inquiry concerning the defendant's ability to pay shall be made until proceedings are held pursuant to Section 987.8.

(c) No defendant shall be denied the assistance of appointed counsel due solely to a failure to pay the registration fee. An order to pay the registration fee may be enforced in the manner provided for enforcement of civil judgments generally, but may not be enforced by contempt.

(d) The fact that a defendant has or has not been assessed a fee pursuant to this section shall have no effect in any later proceedings held pursuant to Section 987.8, except that the defendant shall be given credit for any amounts paid as a registration fee toward any lien or assessment imposed pursuant to Section 987.8.

(e) This section shall be operative in a county only upon the adoption of a resolution or ordinance by the board of supervisors electing to establish the registration fee and setting forth the manner in which the funds shall be collected and distributed. Collection procedures, accounting measures, and the distribution of the funds received pursuant to this section shall be within the discretion of the board of supervisors.

(f) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

SEC. 37. Section 987.8 of the Penal Code is amended to read:

987.8. (a) If the court finds that a defendant is entitled to counsel but is unable to employ counsel, the court may hold a hearing or, in its discretion, order the defendant to appear before a county officer designated by the court, to determine whether the defendant owns or has an interest in real property or other assets subject to attachment and not otherwise exempt by law. The court may impose a lien on any real property owned by the defendant, or in which the defendant has an interest to the extent permitted by law. The lien shall contain a legal description of the property, shall be recorded with the county recorder in the county or counties in which the property is located, and shall have priority over subsequently recorded liens

or encumbrances. The county shall have the right to enforce its lien for the payment of providing legal assistance to an indigent defendant in the same manner as other lienholders by way of attachment, except that a county shall not enforce its lien on a defendant's principal place of residence pursuant to a writ of execution. No lien shall be effective as against a bona fide purchaser without notice of the lien.

(b) If a defendant is provided legal assistance, either through the public defender or private counsel appointed by the court, upon conclusion of the criminal proceedings in the trial court or upon the withdrawal of the public defender or appointed private counsel, the court may, after notice and a hearing, make a determination of the present ability of the defendant to pay all or a portion of the cost thereof. The court may, in its discretion, hold one such additional hearing within six months of the conclusion of the criminal proceedings. The court may, in its discretion, order the defendant to appear before a county officer designated by the court to make an inquiry into the ability of the defendant to pay all or a portion of the legal assistance provided.

(c) (1) If the defendant hires counsel replacing a publicly provided attorney; in which the public defender or appointed counsel was required by the court to proceed with the case after a determination by the public defender that the defendant is not indigent; or, in which the defendant, at the conclusion of the case, appears to have sufficient assets to repay, without undue hardship, all or a portion of the cost of the legal assistance provided to the defendant, by monthly installments or otherwise; the court shall make a determination of the defendant's ability to pay as provided in subdivision (b), and may, in its discretion, make other orders as provided in that subdivision.

(2) This subdivision applies to a county only upon the adoption of a resolution by the board of supervisors to that effect.

(d) If the defendant, after having been ordered to appear before a county officer, has been given proper notice and fails to appear before a county officer within 20 working days, the county officer shall recommend to the court that the full cost of the legal assistance be ordered to be paid by the defendant. The notice to the defendant shall contain all of the following:

(1) A statement of the cost of the legal assistance provided to the defendant as determined by the court.

(2) The defendant's procedural rights under this section.

(3) The time limit within which the defendant's response is required.

(4) A warning that if the defendant fails to appear before the designated officer, the officer will recommend that the court order the defendant to pay the full cost of the legal assistance provided to them.

(e) (1) At a hearing, the defendant shall be entitled to, but shall not be limited to, all of the following rights:

(A) The right to be heard in person.

(B) The right to present witnesses and other documentary evidence.

(C) The right to confront and cross-examine adverse witnesses.

(D) The right to have the evidence against them disclosed to them.

(E) The right to a written statement of the findings of the court.

(2) If the court determines that the defendant has the present ability to pay all or a part of the cost, the court shall set the amount to be reimbursed and order the defendant to pay the sum to the county in the manner in which the court believes reasonable and compatible with the defendant's financial ability. Failure of a defendant who is not in custody to appear after due notice is a sufficient basis for an order directing the defendant to pay the full cost of the legal assistance determined by the court. The order to pay all or a part of the costs may be enforced in the manner provided for enforcement of money judgments generally but may not be enforced by contempt.

(3) An order entered under this subdivision is subject to relief under Section 473 of the Code of Civil Procedure.

(f) Prior to the furnishing of counsel or legal assistance by the court, the court shall give notice to the defendant that the court may, after a hearing, make a determination of the present ability of the defendant to pay all or a portion of the cost of counsel. The court shall also give notice that, if the court determines that the defendant has the present ability, the court shall order the defendant to pay all or a part of the cost. The notice shall inform the defendant that the order shall have the same force and effect as a judgment in a civil action and shall be subject to enforcement against the property of the defendant in the same manner as any other money judgment.

(g) As used in this section:

(1) "Legal assistance" means legal counsel and supportive services including, but not limited to, medical and psychiatric examinations, investigative services, expert testimony, or any other form of services provided to assist the defendant in the preparation and presentation of the defendant's case.

(2) "Ability to pay" means the overall capability of the defendant to reimburse the costs, or a portion of the costs, of the legal assistance provided to the defendant, and shall include, but not be limited to, all of the following:

(A) The defendant's present financial position.

(B) The defendant's reasonably discernible future financial position. In no event shall the court consider a period of more than six months from the date of the hearing for purposes of determining the defendant's reasonably discernible future financial position. Unless the court finds unusual circumstances, a defendant sentenced to state prison, or to county jail for a period longer than 364 days, including, but not limited to, a sentence imposed pursuant to subdivision (h) of Section 1170, shall be determined not to have a reasonably discernible future financial ability to reimburse the costs of their defense.

(C) The likelihood that the defendant shall be able to obtain employment within a six-month period from the date of the hearing.

(D) Any other factor or factors that may bear upon the defendant's financial capability to reimburse the county for the costs of the legal assistance provided to the defendant.

(h) At any time during the pendency of the judgment rendered according to the terms of this section, a defendant against whom a judgment has been rendered may petition the rendering court to modify or vacate its previous judgment on the grounds of a change in circumstances with regard to the defendant's ability to pay the judgment. The court shall advise the defendant of this right at the time it renders the judgment.

(i) This section shall apply to all proceedings, including contempt proceedings, in which the party is represented by a public defender or appointed counsel and is convicted of a felony or a misdemeanor.

(j) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

SEC. 38. Section 987.81 of the Penal Code is amended to read:

987.81. (a) If a defendant is provided legal assistance, either through the public defender or private counsel appointed by the court, upon conclusion of the criminal proceedings in the trial court, or upon the withdrawal of the public defender or appointed private counsel, the court shall consider the available information concerning the defendant's ability to pay the costs of legal assistance and may, after notice, as provided in subdivision (b), hold a hearing to make a determination of the present ability of the defendant to pay all or a portion of the cost thereof. Notwithstanding the above, if the court has ordered the probation officer to investigate and report to the court pursuant to subdivision (b) of Section 1203, the court may hold such a hearing. The court may, in its discretion, hold one such additional hearing within six months of the conclusion of the criminal proceedings.

(b) Concurrent with counsel or legal assistance being furnished by the court, the court may order the defendant to appear before a county officer designated by the court to make an inquiry into the ability of the defendant to pay all or a portion of the legal assistance provided. Prior to the furnishing of counsel or legal assistance by the court, the court shall give notice to the defendant that the court may, after a hearing, make a determination of the present ability of the defendant to pay all or a portion of the cost of counsel. The court shall also give notice that, if the court determines that the defendant has the present ability, the court shall order the defendant to pay all or a part of the cost. The notice shall inform the defendant that the order shall have the same force and effect as a judgment in a civil action and shall be subject to enforcement against the property of the defendant in the same manner as any other money judgment.

(c) The provisions of this section shall apply only in a county in which the board of supervisors adopts a resolution which elects to proceed under this section.

(d) This section shall apply only when the defendant is convicted of a felony or a misdemeanor.

(e) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

SEC. 39. Section 1000.3 of the Penal Code is amended to read:

1000.3. (a) If it appears to the prosecuting attorney, the court, or the probation department that the defendant is performing unsatisfactorily in the assigned program, that the defendant is convicted of an offense that reflects the defendant's propensity for violence, or that the defendant is convicted of a felony, the prosecuting attorney, the court on its own, or the probation department may make a motion for termination from pretrial diversion.

(b) After notice to the defendant, the court shall hold a hearing to determine whether pretrial diversion shall be terminated.

(c) If the court finds that the defendant is not performing satisfactorily in the assigned program, or the court finds that the defendant has been convicted of a crime as indicated in subdivision (a), the court shall schedule the matter for further proceedings as otherwise provided in this code.

(d) If the defendant has completed pretrial diversion, at the end of that period, the criminal charge or charges shall be dismissed.

(e) Prior to dismissing the charge or charges or terminating pretrial diversion, the court shall consider the defendant's ability to pay and whether the defendant has paid a diversion restitution fee pursuant to Section 1001.90, if ordered, and has met their financial obligation to the program, if any. As provided in Section 1203.1b, the defendant shall reimburse the probation department for the reasonable cost of any program investigation or progress report filed with the court as directed pursuant to Sections 1000.1 and 1000.2.

(f) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

SEC. 40. Section 1000.3 is added to the Penal Code, to read:

1000.3. (a) If it appears to the prosecuting attorney, the court, or the probation department that the defendant is performing unsatisfactorily in the assigned program, that the defendant is convicted of an offense that reflects the defendant's propensity for violence, or that the defendant is convicted of a felony, the prosecuting attorney, the court on its own, or the probation department may make a motion for termination from pretrial diversion.

(b) After notice to the defendant, the court shall hold a hearing to determine whether pretrial diversion shall be terminated.

(c) If the court finds that the defendant is not performing satisfactorily in the assigned program, or the court finds that the defendant has been convicted of a crime as indicated in subdivision (a), the court shall schedule the matter for further proceedings as otherwise provided in this code.

(d) If the defendant has completed pretrial diversion, at the end of that period, the criminal charge or charges shall be dismissed.

(e) Prior to dismissing the charge or charges or terminating pretrial diversion, the court shall consider the defendant's ability to pay and whether the defendant has paid a diversion restitution fee pursuant to Section 1001.90, if ordered, and has met their financial obligation to the program, if any.

(f) This section shall become operative on July 1, 2021.

SEC. 41. Section 1203 of the Penal Code is amended to read:

1203. (a) As used in this code, “probation” means the suspension of the imposition or execution of a sentence and the order of conditional and revocable release in the community under the supervision of a probation officer. As used in this code, “conditional sentence” means the suspension of the imposition or execution of a sentence and the order of revocable release in the community subject to conditions established by the court without the supervision of a probation officer. It is the intent of the Legislature that both conditional sentence and probation are authorized whenever probation is authorized in any code as a sentencing option for infractions or misdemeanors.

(b) (1) Except as provided in subdivision (j), if a person is convicted of a felony and is eligible for probation, before judgment is pronounced, the court shall immediately refer the matter to a probation officer to investigate and report to the court, at a specified time, upon the circumstances surrounding the crime and the prior history and record of the person, which may be considered either in aggravation or mitigation of the punishment.

(2) (A) The probation officer shall immediately investigate and make a written report to the court containing findings and recommendations, including recommendations as to the granting or denying of probation and the conditions of probation, if granted.

(B) Pursuant to Section 828 of the Welfare and Institutions Code, the probation officer shall include in the report any information gathered by a law enforcement agency relating to the taking of the defendant into custody as a minor, which shall be considered for purposes of determining whether adjudications of commissions of crimes as a juvenile warrant a finding that there are circumstances in aggravation pursuant to Section 1170 or to deny probation.

(C) If the person was convicted of an offense that requires that person to register as a sex offender pursuant to Sections 290 to 290.023, inclusive, or if the probation report recommends that registration be ordered at sentencing pursuant to Section 290.006, the probation officer’s report shall include the results of the State-Authorized Risk Assessment Tool for Sex Offenders (SARATSO) administered pursuant to Sections 290.04 to 290.06, inclusive, if applicable.

(D) The probation officer may also include in the report recommendations for both of the following:

(i) The amount the defendant should be required to pay as a restitution fine pursuant to subdivision (b) of Section 1202.4.

(ii) Whether the court shall require, as a condition of probation, restitution to the victim or to the Restitution Fund and the amount thereof.

(E) The report shall be made available to the court and the prosecuting and defense attorneys at least five days, or upon request of the defendant or prosecuting attorney nine days, prior to the time fixed by the court for the hearing and determination of the report, and shall be filed with the clerk of the court as a record in the case at the time of the hearing. The time within which the report shall be made available and filed may be waived by written

stipulation of the prosecuting and defense attorneys that is filed with the court or an oral stipulation in open court that is made and entered upon the minutes of the court.

(3) At a time fixed by the court, the court shall hear and determine the application, if one has been made, or, in any case, the suitability of probation in the particular case. At the hearing, the court shall consider any report of the probation officer, including the results of the SARATSO, if applicable, and shall make a statement that it has considered the report, which shall be filed with the clerk of the court as a record in the case. If the court determines that there are circumstances in mitigation of the punishment prescribed by law or that the ends of justice would be served by granting probation to the person, it may place the person on probation. If probation is denied, the clerk of the court shall immediately send a copy of the report to the Department of Corrections and Rehabilitation at the prison or other institution to which the person is delivered.

(4) The preparation of the report or the consideration of the report by the court may be waived only by a written stipulation of the prosecuting and defense attorneys that is filed with the court or an oral stipulation in open court that is made and entered upon the minutes of the court, except that a waiver shall not be allowed unless the court consents thereto. However, if the defendant is ultimately sentenced and committed to the state prison, a probation report shall be completed pursuant to Section 1203c.

(c) If a defendant is not represented by an attorney, the court shall order the probation officer who makes the probation report to discuss its contents with the defendant.

(d) If a person is convicted of a misdemeanor, the court may either refer the matter to the probation officer for an investigation and a report or summarily pronounce a conditional sentence. If the person was convicted of an offense that requires that person to register as a sex offender pursuant to Sections 290 to 290.023, inclusive, or if the probation officer recommends that the court, at sentencing, order the offender to register as a sex offender pursuant to Section 290.006, the court shall refer the matter to the probation officer for the purpose of obtaining a report on the results of the State-Authorized Risk Assessment Tool for Sex Offenders administered pursuant to Sections 290.04 to 290.06, inclusive, if applicable, which the court shall consider. If the case is not referred to the probation officer, in sentencing the person, the court may consider any information concerning the person that could have been included in a probation report. The court shall inform the person of the information to be considered and permit the person to answer or controvert the information. For this purpose, upon the request of the person, the court shall grant a continuance before the judgment is pronounced.

(e) Except in unusual cases in which the interests of justice would best be served if the person is granted probation, probation shall not be granted to any of the following persons:

(1) Unless the person had a lawful right to carry a deadly weapon, other than a firearm, at the time of the perpetration of the crime or the person's

arrest, any person who has been convicted of arson, robbery, carjacking, burglary, burglary with explosives, rape with force or violence, torture, aggravated mayhem, murder, attempt to commit murder, trainwrecking, kidnapping, escape from the state prison, or a conspiracy to commit one or more of those crimes and who was armed with the weapon at either of those times.

(2) Any person who used, or attempted to use, a deadly weapon upon a human being in connection with the perpetration of the crime of which that person has been convicted.

(3) Any person who willfully inflicted great bodily injury or torture in the perpetration of the crime of which that person has been convicted.

(4) Any person who has been previously convicted twice in this state of a felony or in any other place of a public offense which, if committed in this state, would have been punishable as a felony.

(5) Unless the person has never been previously convicted once in this state of a felony or in any other place of a public offense which, if committed in this state, would have been punishable as a felony, any person who has been convicted of burglary with explosives, rape with force or violence, torture, aggravated mayhem, murder, attempt to commit murder, trainwrecking, extortion, kidnapping, escape from the state prison, a violation of Section 286, 287, 288, or 288.5, or of former Section 288a, or a conspiracy to commit one or more of those crimes.

(6) Any person who has been previously convicted once in this state of a felony or in any other place of a public offense which, if committed in this state, would have been punishable as a felony, if that person committed any of the following acts:

(A) Unless the person had a lawful right to carry a deadly weapon at the time of the perpetration of the previous crime or the person's arrest for the previous crime, the person was armed with a weapon at either of those times.

(B) The person used, or attempted to use, a deadly weapon upon a human being in connection with the perpetration of the previous crime.

(C) The person willfully inflicted great bodily injury or torture in the perpetration of the previous crime.

(7) Any public official or peace officer of this state or any city, county, or other political subdivision who, in the discharge of the duties of public office or employment, accepted or gave or offered to accept or give any bribe, embezzled public money, or was guilty of extortion.

(8) Any person who knowingly furnishes or gives away phencyclidine.

(9) Any person who intentionally inflicted great bodily injury in the commission of arson under subdivision (a) of Section 451 or who intentionally set fire to, burned, or caused the burning of, an inhabited structure or inhabited property in violation of subdivision (b) of Section 451.

(10) Any person who, in the commission of a felony, inflicts great bodily injury or causes the death of a human being by the discharge of a firearm from or at an occupied motor vehicle proceeding on a public street or highway.

(11) Any person who possesses a short-barreled rifle or a short-barreled shotgun under Section 33215, a machinegun under Section 32625, or a silencer under Section 33410.

(12) Any person who is convicted of violating Section 8101 of the Welfare and Institutions Code.

(13) Any person who is described in subdivision (b) or (c) of Section 27590.

(f) When probation is granted in a case which comes within subdivision (e), the court shall specify on the record and shall enter on the minutes the circumstances indicating that the interests of justice would best be served by that disposition.

(g) If a person is not eligible for probation, the judge shall refer the matter to the probation officer for an investigation of the facts relevant to determination of the amount of a restitution fine pursuant to subdivision (b) of Section 1202.4 in all cases in which the determination is applicable. The judge, in their discretion, may direct the probation officer to investigate all facts relevant to the sentencing of the person. Upon that referral, the probation officer shall immediately investigate the circumstances surrounding the crime and the prior record and history of the person and make a written report to the court containing findings. The findings shall include a recommendation of the amount of the restitution fine as provided in subdivision (b) of Section 1202.4.

(h) If a defendant is convicted of a felony and a probation report is prepared pursuant to subdivision (b) or (g), the probation officer may obtain and include in the report a statement of the comments of the victim concerning the offense. The court may direct the probation officer not to obtain a statement if the victim has in fact testified at any of the court proceedings concerning the offense.

(i) A probationer shall not be released to enter another state unless the case has been referred to the Administrator of the Interstate Probation and Parole Compacts, pursuant to the Uniform Act for Out-of-State Probationer or Parolee Supervision (Article 3 (commencing with Section 11175) of Chapter 2 of Title 1 of Part 4) and the probationer has reimbursed the county that has jurisdiction over their probation case the reasonable costs of processing the request for interstate compact supervision. The amount and method of reimbursement shall be in accordance with Section 1203.1b.

(j) In any court in which a county financial evaluation officer is available, in addition to referring the matter to the probation officer, the court may order the defendant to appear before the county financial evaluation officer for a financial evaluation of the defendant's ability to pay restitution, in which case the county financial evaluation officer shall report the findings regarding restitution and other court-related costs to the probation officer on the question of the defendant's ability to pay those costs.

Any order made pursuant to this subdivision may be enforced as a violation of the terms and conditions of probation upon willful failure to pay and at the discretion of the court, may be enforced in the same manner

as a judgment in a civil action, if any balance remains unpaid at the end of the defendant's probationary period.

(k) Probation shall not be granted to, nor shall the execution of, or imposition of sentence be suspended for, any person who is convicted of a violent felony, as defined in subdivision (c) of Section 667.5, or a serious felony, as defined in subdivision (c) of Section 1192.7, and who was on probation for a felony offense at the time of the commission of the new felony offense.

(l) For any person granted probation prior to January 1, 2023, at the time the court imposes probation, the court may take a waiver from the defendant permitting flash incarceration by the probation officer, pursuant to Section 1203.35.

(m) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

SEC. 42. Section 1203 is added to the Penal Code, to read:

1203. (a) As used in this code, "probation" means the suspension of the imposition or execution of a sentence and the order of conditional and revocable release in the community under the supervision of a probation officer. As used in this code, "conditional sentence" means the suspension of the imposition or execution of a sentence and the order of revocable release in the community subject to conditions established by the court without the supervision of a probation officer. It is the intent of the Legislature that both conditional sentence and probation are authorized whenever probation is authorized in any code as a sentencing option for infractions or misdemeanors.

(b) (1) Except as provided in subdivision (j), if a person is convicted of a felony and is eligible for probation, before judgment is pronounced, the court shall immediately refer the matter to a probation officer to investigate and report to the court, at a specified time, upon the circumstances surrounding the crime and the prior history and record of the person, which may be considered either in aggravation or mitigation of the punishment.

(2) (A) The probation officer shall immediately investigate and make a written report to the court containing findings and recommendations, including recommendations as to the granting or denying of probation and the conditions of probation, if granted.

(B) Pursuant to Section 828 of the Welfare and Institutions Code, the probation officer shall include in the report any information gathered by a law enforcement agency relating to the taking of the defendant into custody as a minor, which shall be considered for purposes of determining whether adjudications of commissions of crimes as a juvenile warrant a finding that there are circumstances in aggravation pursuant to Section 1170 or to deny probation.

(C) If the person was convicted of an offense that requires that person to register as a sex offender pursuant to Sections 290 to 290.023, inclusive, or if the probation report recommends that registration be ordered at sentencing pursuant to Section 290.006, the probation officer's report shall

include the results of the State-Authorized Risk Assessment Tool for Sex Offenders (SARATSO) administered pursuant to Sections 290.04 to 290.06, inclusive, if applicable.

(D) The probation officer may also include in the report recommendations for both of the following:

(i) The amount the defendant should be required to pay as a restitution fine pursuant to subdivision (b) of Section 1202.4.

(ii) Whether the court shall require, as a condition of probation, restitution to the victim or to the Restitution Fund and the amount thereof.

(E) The report shall be made available to the court and the prosecuting and defense attorneys at least five days, or upon request of the defendant or prosecuting attorney nine days, prior to the time fixed by the court for the hearing and determination of the report, and shall be filed with the clerk of the court as a record in the case at the time of the hearing. The time within which the report shall be made available and filed may be waived by written stipulation of the prosecuting and defense attorneys that is filed with the court or an oral stipulation in open court that is made and entered upon the minutes of the court.

(3) At a time fixed by the court, the court shall hear and determine the application, if one has been made, or, in any case, the suitability of probation in the particular case. At the hearing, the court shall consider any report of the probation officer, including the results of the SARATSO, if applicable, and shall make a statement that it has considered the report, which shall be filed with the clerk of the court as a record in the case. If the court determines that there are circumstances in mitigation of the punishment prescribed by law or that the ends of justice would be served by granting probation to the person, it may place the person on probation. If probation is denied, the clerk of the court shall immediately send a copy of the report to the Department of Corrections and Rehabilitation at the prison or other institution to which the person is delivered.

(4) The preparation of the report or the consideration of the report by the court may be waived only by a written stipulation of the prosecuting and defense attorneys that is filed with the court or an oral stipulation in open court that is made and entered upon the minutes of the court, except that a waiver shall not be allowed unless the court consents thereto. However, if the defendant is ultimately sentenced and committed to the state prison, a probation report shall be completed pursuant to Section 1203c.

(c) If a defendant is not represented by an attorney, the court shall order the probation officer who makes the probation report to discuss its contents with the defendant.

(d) If a person is convicted of a misdemeanor, the court may either refer the matter to the probation officer for an investigation and a report or summarily pronounce a conditional sentence. If the person was convicted of an offense that requires that person to register as a sex offender pursuant to Sections 290 to 290.023, inclusive, or if the probation officer recommends that the court, at sentencing, order the offender to register as a sex offender pursuant to Section 290.006, the court shall refer the matter to the probation

officer for the purpose of obtaining a report on the results of the State-Authorized Risk Assessment Tool for Sex Offenders administered pursuant to Sections 290.04 to 290.06, inclusive, if applicable, which the court shall consider. If the case is not referred to the probation officer, in sentencing the person, the court may consider any information concerning the person that could have been included in a probation report. The court shall inform the person of the information to be considered and permit the person to answer or controvert the information. For this purpose, upon the request of the person, the court shall grant a continuance before the judgment is pronounced.

(e) Except in unusual cases in which the interests of justice would best be served if the person is granted probation, probation shall not be granted to any of the following persons:

(1) Unless the person had a lawful right to carry a deadly weapon, other than a firearm, at the time of the perpetration of the crime or the person's arrest, any person who has been convicted of arson, robbery, carjacking, burglary, burglary with explosives, rape with force or violence, torture, aggravated mayhem, murder, attempt to commit murder, trainwrecking, kidnapping, escape from the state prison, or a conspiracy to commit one or more of those crimes and who was armed with the weapon at either of those times.

(2) Any person who used, or attempted to use, a deadly weapon upon a human being in connection with the perpetration of the crime of which that person has been convicted.

(3) Any person who willfully inflicted great bodily injury or torture in the perpetration of the crime of which that person has been convicted.

(4) Any person who has been previously convicted twice in this state of a felony or in any other place of a public offense which, if committed in this state, would have been punishable as a felony.

(5) Unless the person has never been previously convicted once in this state of a felony or in any other place of a public offense which, if committed in this state, would have been punishable as a felony, any person who has been convicted of burglary with explosives, rape with force or violence, torture, aggravated mayhem, murder, attempt to commit murder, trainwrecking, extortion, kidnapping, escape from the state prison, a violation of Section 286, 287, 288, or 288.5, or of former Section 288a, or a conspiracy to commit one or more of those crimes.

(6) Any person who has been previously convicted once in this state of a felony or in any other place of a public offense which, if committed in this state, would have been punishable as a felony, if that person committed any of the following acts:

(A) Unless the person had a lawful right to carry a deadly weapon at the time of the perpetration of the previous crime or the person's arrest for the previous crime, the person was armed with a weapon at either of those times.

(B) The person used, or attempted to use, a deadly weapon upon a human being in connection with the perpetration of the previous crime.

(C) The person willfully inflicted great bodily injury or torture in the perpetration of the previous crime.

(8) Any person who knowingly furnishes or gives away phencyclidine.

(9) Any person who intentionally inflicted great bodily injury in the commission of arson under subdivision (a) of Section 451 or who intentionally set fire to, burned, or caused the burning of, an inhabited structure or inhabited property in violation of subdivision (b) of Section 451.

(10) Any person who, in the commission of a felony, inflicts great bodily injury or causes the death of a human being by the discharge of a firearm from or at an occupied motor vehicle proceeding on a public street or highway.

(11) Any person who possesses a short-barreled rifle or a short-barreled shotgun under Section 33215, a machinegun under Section 32625, or a silencer under Section 33410.

(12) Any person who is convicted of violating Section 8101 of the Welfare and Institutions Code.

(13) Any person who is described in subdivision (b) or (c) of Section 27590.

(f) When probation is granted in a case which comes within subdivision (e), the court shall specify on the record and shall enter on the minutes the circumstances indicating that the interests of justice would best be served by that disposition.

(g) If a person is not eligible for probation, the judge shall refer the matter to the probation officer for an investigation of the facts relevant to determination of the amount of a restitution fine pursuant to subdivision (b) of Section 1202.4 in all cases in which the determination is applicable. The judge, in their discretion, may direct the probation officer to investigate all facts relevant to the sentencing of the person. Upon that referral, the probation officer shall immediately investigate the circumstances surrounding the crime and the prior record and history of the person and make a written report to the court containing findings. The findings shall include a recommendation of the amount of the restitution fine as provided in subdivision (b) of Section 1202.4.

(h) If a defendant is convicted of a felony and a probation report is prepared pursuant to subdivision (b) or (g), the probation officer may obtain and include in the report a statement of the comments of the victim concerning the offense. The court may direct the probation officer not to obtain a statement if the victim has in fact testified at any of the court proceedings concerning the offense.

(i) A probationer shall not be released to enter another state unless the case has been referred to the Administrator of the Interstate Probation and Parole Compacts, pursuant to the Uniform Act for Out-of-State Probationer

or Parolee Supervision (Article 3 (commencing with Section 11175) of Chapter 2 of Title 1 of Part 4).

(j) In any court in which a county financial evaluation officer is available, in addition to referring the matter to the probation officer, the court may order the defendant to appear before the county financial evaluation officer for a financial evaluation of the defendant's ability to pay restitution, in which case the county financial evaluation officer shall report the findings regarding restitution and other court-related costs to the probation officer on the question of the defendant's ability to pay those costs.

Any order made pursuant to this subdivision may be enforced as a violation of the terms and conditions of probation upon willful failure to pay and at the discretion of the court, may be enforced in the same manner as a judgment in a civil action, if any balance remains unpaid at the end of the defendant's probationary period.

(k) Probation shall not be granted to, nor shall the execution of, or imposition of sentence be suspended for, any person who is convicted of a violent felony, as defined in subdivision (c) of Section 667.5, or a serious felony, as defined in subdivision (c) of Section 1192.7, and who was on probation for a felony offense at the time of the commission of the new felony offense.

(l) For any person granted probation prior to January 1, 2023, at the time the court imposes probation, the court may take a waiver from the defendant permitting flash incarceration by the probation officer, pursuant to Section 1203.35.

(m) This section shall become operative on July 1, 2021.

SEC. 43. Section 1203.016 of the Penal Code is amended to read:

1203.016. (a) Notwithstanding any other law, the board of supervisors of any county may authorize the correctional administrator, as defined in subdivision (h), to offer a program under which inmates committed to a county jail or other county correctional facility or granted probation, or inmates participating in a work furlough program, may voluntarily participate or involuntarily be placed in a home detention program during their sentence in lieu of confinement in a county jail or other county correctional facility or program under the auspices of the probation officer.

(b) The board of supervisors, in consultation with the correctional administrator, may prescribe reasonable rules and regulations under which a home detention program may operate. As a condition of participation in the home detention program, the inmate shall give consent in writing to participate in the home detention program and shall in writing agree to comply or, for involuntary participation, the inmate shall be informed in writing that the inmate shall comply, with the rules and regulations of the program, including, but not limited to, the following rules:

(1) The participant shall remain within the interior premises of the participant's residence during the hours designated by the correctional administrator.

(2) The participant shall admit any person or agent designated by the correctional administrator into the participant's residence at any time for

purposes of verifying the participant's compliance with the conditions of the detention.

(3) The participant shall agree to the use of electronic monitoring, which may include Global Positioning System devices or other supervising devices for the purpose of helping to verify compliance with the rules and regulations of the home detention program. The devices shall not be used to eavesdrop or record any conversation, except a conversation between the participant and the person supervising the participant which is to be used solely for the purposes of voice identification.

(4) The participant shall agree that the correctional administrator in charge of the county correctional facility from which the participant was released may, without further order of the court, immediately retake the person into custody to serve the balance of the person's sentence if the electronic monitoring or supervising devices are unable for any reason to properly perform their function at the designated place of home detention, if the person fails to remain within the place of home detention as stipulated in the agreement, if the person willfully fails to pay fees to the provider of electronic home detention services, as stipulated in the agreement, subsequent to the written notification of the participant that the payment has not been received and that return to custody may result, or if the person for any other reason no longer meets the established criteria under this section. A copy of the agreement shall be delivered to the participant and a copy retained by the correctional administrator.

(c) If the peace officer supervising a participant has reasonable cause to believe that the participant is not complying with the rules or conditions of the program, or that the electronic monitoring devices are unable to function properly in the designated place of confinement, the peace officer may, under general or specific authorization of the correctional administrator, and without a warrant of arrest, retake the person into custody to complete the remainder of the original sentence.

(d) Nothing in this section shall be construed to require the correctional administrator to allow a person to participate in this program if it appears from the record that the person has not satisfactorily complied with reasonable rules and regulations while in custody. A person shall be eligible for participation in a home detention program only if the correctional administrator concludes that the person meets the criteria for release established under this section and that the person's participation is consistent with any reasonable rules and regulations prescribed by the board of supervisors or the administrative policy of the correctional administrator.

(1) The rules and regulations and administrative policy of the program shall be written and reviewed on an annual basis by the county board of supervisors and the correctional administrator. The rules and regulations shall be given to or made available to any participant upon request.

(2) The correctional administrator, or the administrator's designee, shall have the sole discretionary authority to permit program participation as an alternative to physical custody. All persons referred or recommended by the court to participate in the home detention program pursuant to subdivision

(e) who are denied participation or all persons removed from program participation shall be notified in writing of the specific reasons for the denial or removal. The notice of denial or removal shall include the participant's appeal rights, as established by program administrative policy.

(e) The court may recommend or refer a person to the correctional administrator for consideration for placement in the home detention program. The recommendation or referral of the court shall be given great weight in the determination of acceptance or denial. At the time of sentencing or at any time that the court deems it necessary, the court may restrict or deny the defendant's participation in a home detention program.

(f) The correctional administrator may permit home detention program participants to seek and retain employment in the community, attend psychological counseling sessions or educational or vocational training classes, or seek medical and dental assistance. Willful failure of the program participant to return to the place of home detention not later than the expiration of any period of time during which the participant is authorized to be away from the place of home detention pursuant to this section and unauthorized departures from the place of home detention are punishable as provided in Section 4532.

(g) The board of supervisors may prescribe a program administrative fee to be paid by each adult home detention participant who is over 21 years of age and under the jurisdiction of the criminal court that shall be determined according to the participant's ability to pay. Inability to pay all or a portion of the program fees shall not preclude participation in the program, and eligibility shall not be enhanced by reason of ability to pay. All program administration and supervision fees shall be administered in compliance with Section 1208.2.

(h) As used in this section, "correctional administrator" means the sheriff, probation officer, or director of the county department of corrections.

(i) Notwithstanding any other law, the police department of a city where an office is located to which persons on an electronic monitoring program report may request the county correctional administrator to provide information concerning those persons. This information shall be limited to the name, address, date of birth, offense committed by the home detainee, and if available, at the discretion of the supervising agency and solely for investigatory purposes, current and historical GPS coordinates of the home detainee. A law enforcement department that does not have the primary responsibility to supervise participants in the electronic monitoring program that receives information pursuant to this subdivision shall not use the information to conduct enforcement actions based on administrative violations of the home detention program. A law enforcement department that has knowledge that the subject in a criminal investigation is a participant in an electronic monitoring program shall make reasonable efforts to notify the supervising agency prior to serving a warrant or taking any law enforcement action against a participant in an electronic monitoring program.

(j) It is the intent of the Legislature that home detention programs established under this section maintain the highest public confidence,

credibility, and public safety. In the furtherance of these standards, the following shall apply:

(1) The correctional administrator, with the approval of the board of supervisors, may administer a home detention program pursuant to written contracts with appropriate public or private agencies or entities to provide specified program services. No public or private agency or entity may operate a home detention program in any county without a written contract with that county's correctional administrator. However, this does not apply to the use of electronic monitoring by the Department of Corrections and Rehabilitation. No public or private agency or entity entering into a contract may itself employ any person who is in the home detention program.

(2) Program acceptance shall not circumvent the normal booking process for sentenced offenders. All home detention program participants shall be supervised.

(3) (A) All privately operated home detention programs shall be under the jurisdiction of, and subject to the terms and conditions of the contract entered into with, the correctional administrator.

(B) Each contract shall include, but not be limited to, all of the following:

(i) A provision whereby the private agency or entity agrees to operate in compliance with any available standards promulgated by state correctional agencies and bodies, including the Corrections Standards Authority, and all statutory provisions and mandates, state and county, as appropriate and applicable to the operation of home detention programs and the supervision of sentenced offenders in a home detention program.

(ii) A provision that clearly defines areas of respective responsibility and liability of the county and the private agency or entity.

(iii) A provision that requires the private agency or entity to demonstrate evidence of financial responsibility, submitted and approved by the board of supervisors, in amounts and under conditions sufficient to fully indemnify the county for reasonably foreseeable public liability, including legal defense costs, that may arise from, or be proximately caused by, acts or omissions of the contractor. The contract shall provide for annual review by the correctional administrator to ensure compliance with requirements set by the board of supervisors and for adjustment of the financial responsibility requirements if warranted by caseload changes or other factors.

(iv) A provision that requires the private agency or entity to provide evidence of financial responsibility, such as certificates of insurance or copies of insurance policies, prior to commencing any operations pursuant to the contract or at any time requested by the board of supervisors or correctional administrator.

(v) A provision that permits the correctional administrator to immediately terminate the contract with a private agency or entity at any time that the contractor fails to demonstrate evidence of financial responsibility.

(C) All privately operated home detention programs shall comply with all appropriate, applicable ordinances and regulations specified in subdivision (a) of Section 1208.

(D) The board of supervisors, the correctional administrator, and the designee of the correctional administrator shall comply with Section 1090 of the Government Code in the consideration, making, and execution of contracts pursuant to this section.

(E) The failure of the private agency or entity to comply with statutory provisions and requirements or with the standards established by the contract and with the correctional administrator may be sufficient cause to terminate the contract.

(F) Upon the discovery that a private agency or entity with whom there is a contract is not in compliance pursuant to this paragraph, the correctional administrator shall give 60 days' notice to the director of the private agency or entity that the contract may be canceled if the specified deficiencies are not corrected.

(G) Shorter notice may be given or the contract may be canceled without notice whenever a serious threat to public safety is present because the private agency or entity has failed to comply with this section.

(k) For purposes of this section, "evidence of financial responsibility" may include, but is not limited to, certified copies of any of the following:

- (1) A current liability insurance policy.
- (2) A current errors and omissions insurance policy.
- (3) A surety bond.

(l) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

SEC. 44. Section 1203.016 is added to the Penal Code, to read:

1203.016. (a) Notwithstanding any other law, the board of supervisors of any county may authorize the correctional administrator, as defined in subdivision (g), to offer a program under which inmates committed to a county jail or other county correctional facility or granted probation, or inmates participating in a work furlough program, may voluntarily participate or involuntarily be placed in a home detention program during their sentence in lieu of confinement in a county jail or other county correctional facility or program under the auspices of the probation officer.

(b) The board of supervisors, in consultation with the correctional administrator, may prescribe reasonable rules and regulations under which a home detention program may operate. As a condition of participation in the home detention program, the inmate shall give consent in writing to participate in the home detention program and shall in writing agree to comply or, for involuntary participation, the inmate shall be informed in writing that the inmate shall comply, with the rules and regulations of the program, including, but not limited to, the following rules:

(1) The participant shall remain within the interior premises of the participant's residence during the hours designated by the correctional administrator.

(2) The participant shall admit any person or agent designated by the correctional administrator into the participant's residence at any time for

purposes of verifying the participant's compliance with the conditions of the detention.

(3) The participant shall agree to the use of electronic monitoring, which may include Global Positioning System devices or other supervising devices for the purpose of helping to verify compliance with the rules and regulations of the home detention program. The devices shall not be used to eavesdrop or record any conversation, except a conversation between the participant and the person supervising the participant which is to be used solely for the purposes of voice identification.

(4) The participant shall agree that the correctional administrator in charge of the county correctional facility from which the participant was released may, without further order of the court, immediately retake the person into custody to serve the balance of the person's sentence if the electronic monitoring or supervising devices are unable for any reason to properly perform their function at the designated place of home detention, if the person fails to remain within the place of home detention as stipulated in the agreement, or if the person for any other reason no longer meets the established criteria under this section. A copy of the agreement shall be delivered to the participant and a copy retained by the correctional administrator.

(c) If the peace officer supervising a participant has reasonable cause to believe that the participant is not complying with the rules or conditions of the program, or that the electronic monitoring devices are unable to function properly in the designated place of confinement, the peace officer may, under general or specific authorization of the correctional administrator, and without a warrant of arrest, retake the person into custody to complete the remainder of the original sentence.

(d) Nothing in this section shall be construed to require the correctional administrator to allow a person to participate in this program if it appears from the record that the person has not satisfactorily complied with reasonable rules and regulations while in custody. A person shall be eligible for participation in a home detention program only if the correctional administrator concludes that the person meets the criteria for release established under this section and that the person's participation is consistent with any reasonable rules and regulations prescribed by the board of supervisors or the administrative policy of the correctional administrator.

(1) The rules and regulations and administrative policy of the program shall be written and reviewed on an annual basis by the county board of supervisors and the correctional administrator. The rules and regulations shall be given to or made available to any participant upon request.

(2) The correctional administrator, or the administrator's designee, shall have the sole discretionary authority to permit program participation as an alternative to physical custody. All persons referred or recommended by the court to participate in the home detention program pursuant to subdivision (e) who are denied participation or all persons removed from program participation shall be notified in writing of the specific reasons for the denial

or removal. The notice of denial or removal shall include the participant's appeal rights, as established by program administrative policy.

(e) The court may recommend or refer a person to the correctional administrator for consideration for placement in the home detention program. The recommendation or referral of the court shall be given great weight in the determination of acceptance or denial. At the time of sentencing or at any time that the court deems it necessary, the court may restrict or deny the defendant's participation in a home detention program.

(f) The correctional administrator may permit home detention program participants to seek and retain employment in the community, attend psychological counseling sessions or educational or vocational training classes, or seek medical and dental assistance. Willful failure of the program participant to return to the place of home detention not later than the expiration of any period of time during which the participant is authorized to be away from the place of home detention pursuant to this section and unauthorized departures from the place of home detention are punishable as provided in Section 4532.

(g) As used in this section, "correctional administrator" means the sheriff, probation officer, or director of the county department of corrections.

(h) Notwithstanding any other law, the police department of a city where an office is located to which persons on an electronic monitoring program report may request the county correctional administrator to provide information concerning those persons. This information shall be limited to the name, address, date of birth, offense committed by the home detainee, and if available, at the discretion of the supervising agency and solely for investigatory purposes, current and historical GPS coordinates of the home detainee. A law enforcement department that does not have the primary responsibility to supervise participants in the electronic monitoring program that receives information pursuant to this subdivision shall not use the information to conduct enforcement actions based on administrative violations of the home detention program. A law enforcement department that has knowledge that the subject in a criminal investigation is a participant in an electronic monitoring program shall make reasonable efforts to notify the supervising agency prior to serving a warrant or taking any law enforcement action against a participant in an electronic monitoring program.

(i) It is the intent of the Legislature that home detention programs established under this section maintain the highest public confidence, credibility, and public safety. In the furtherance of these standards, the following shall apply:

(1) The correctional administrator, with the approval of the board of supervisors, may administer a home detention program pursuant to written contracts with appropriate public or private agencies or entities to provide specified program services. No public or private agency or entity may operate a home detention program in any county without a written contract with that county's correctional administrator. However, this does not apply to the use of electronic monitoring by the Department of Corrections and

Rehabilitation. No public or private agency or entity entering into a contract may itself employ any person who is in the home detention program.

(2) Program acceptance shall not circumvent the normal booking process for sentenced offenders. All home detention program participants shall be supervised.

(3) (A) All privately operated home detention programs shall be under the jurisdiction of, and subject to the terms and conditions of the contract entered into with, the correctional administrator.

(B) Each contract shall include, but not be limited to, all of the following:

(i) A provision whereby the private agency or entity agrees to operate in compliance with any available standards promulgated by state correctional agencies and bodies, including the Corrections Standards Authority, and all statutory provisions and mandates, state and county, as appropriate and applicable to the operation of home detention programs and the supervision of sentenced offenders in a home detention program.

(ii) A provision that clearly defines areas of respective responsibility and liability of the county and the private agency or entity.

(iii) A provision that requires the private agency or entity to demonstrate evidence of financial responsibility, submitted and approved by the board of supervisors, in amounts and under conditions sufficient to fully indemnify the county for reasonably foreseeable public liability, including legal defense costs, that may arise from, or be proximately caused by, acts or omissions of the contractor. The contract shall provide for annual review by the correctional administrator to ensure compliance with requirements set by the board of supervisors and for adjustment of the financial responsibility requirements if warranted by caseload changes or other factors.

(iv) A provision that requires the private agency or entity to provide evidence of financial responsibility, such as certificates of insurance or copies of insurance policies, prior to commencing any operations pursuant to the contract or at any time requested by the board of supervisors or correctional administrator.

(v) A provision that permits the correctional administrator to immediately terminate the contract with a private agency or entity at any time that the contractor fails to demonstrate evidence of financial responsibility.

(C) All privately operated home detention programs shall comply with all appropriate, applicable ordinances and regulations specified in subdivision (a) of Section 1208.

(D) The board of supervisors, the correctional administrator, and the designee of the correctional administrator shall comply with Section 1090 of the Government Code in the consideration, making, and execution of contracts pursuant to this section.

(E) The failure of the private agency or entity to comply with statutory provisions and requirements or with the standards established by the contract and with the correctional administrator may be sufficient cause to terminate the contract.

(F) Upon the discovery that a private agency or entity with whom there is a contract is not in compliance pursuant to this paragraph, the correctional

administrator shall give 60 days' notice to the director of the private agency or entity that the contract may be canceled if the specified deficiencies are not corrected.

(G) Shorter notice may be given or the contract may be canceled without notice whenever a serious threat to public safety is present because the private agency or entity has failed to comply with this section.

(j) For purposes of this section, "evidence of financial responsibility" may include, but is not limited to, certified copies of any of the following:

- (1) A current liability insurance policy.
- (2) A current errors and omissions insurance policy.
- (3) A surety bond.

(k) This section shall become operative on July 1, 2021.

(2) The correctional administrator, or the administrator's designee, shall have discretionary authority consistent with this section to permit program participation as an alternative to physical custody. All persons approved by the correctional administrator to participate in the electronic monitoring program pursuant to subdivision (c) who are denied participation and all

SEC. 47. Section 1203.1b of the Penal Code is amended to read:

1203.1b. (a) In any case in which a defendant is convicted of an offense and is the subject of any preplea or presentence investigation and report, whether or not probation supervision is ordered by the court, and in any case in which a defendant is granted probation, given a conditional sentence, or receives a term of mandatory supervision pursuant to subparagraph (B) of paragraph (5) of subdivision (h) of Section 1170, the probation officer, or the officer's authorized representative, taking into account any amount that the defendant is ordered to pay in fines, assessments, and restitution, shall make a determination of the ability of the defendant to pay all or a portion of the reasonable cost of any probation supervision, conditional sentence, or term of mandatory supervision, of conducting any preplea investigation and preparing any preplea report pursuant to Section 1203.7, of conducting any presentence investigation and preparing any presentence

report made pursuant to Section 1203, and of processing a jurisdictional transfer pursuant to Section 1203.9 or of processing a request for interstate compact supervision pursuant to Sections 11175 to 11179, inclusive, whichever applies. The reasonable cost of these services and of probation supervision, a conditional sentence, or mandatory supervision shall not exceed the amount determined to be the actual average cost thereof. A payment schedule for the reimbursement of the costs of preplea or presentence investigations based on income shall be developed by the probation department of each county and approved by the presiding judge of the superior court. The court shall order the defendant to appear before the probation officer, or the officer's authorized representative, to make an inquiry into the ability of the defendant to pay all or a portion of these costs. The probation officer, or the officer's authorized representative, shall determine the amount of payment and the manner in which the payments shall be made to the county, based upon the defendant's ability to pay. The probation officer shall inform the defendant that the defendant is entitled to a hearing, that includes the right to counsel, in which the court shall make a determination of the defendant's ability to pay and the payment amount. The defendant must waive the right to a determination by the court of the defendant's ability to pay and the payment amount by a knowing and intelligent waiver.

(b) When the defendant fails to waive the right provided in subdivision (a) to a determination by the court of the defendant's ability to pay and the payment amount, the probation officer shall refer the matter to the court for the scheduling of a hearing to determine the amount of payment and the manner in which the payments shall be made. The court shall order the defendant to pay the reasonable costs if it determines that the defendant has the ability to pay those costs based on the report of the probation officer, or the officer's authorized representative. The following shall apply to a hearing conducted pursuant to this subdivision:

(1) At the hearing, the defendant shall be entitled to have, but shall not be limited to, the opportunity to be heard in person, to present witnesses and other documentary evidence, and to confront and cross-examine adverse witnesses, and to disclosure of the evidence against the defendant, and a written statement of the findings of the court or the probation officer, or the officer's authorized representative.

(2) At the hearing, if the court determines that the defendant has the ability to pay all or part of the costs, the court shall set the amount to be reimbursed and order the defendant to pay that sum to the county in the manner in which the court believes reasonable and compatible with the defendant's financial ability.

(3) At the hearing, in making a determination of whether a defendant has the ability to pay, the court shall take into account the amount of any fine imposed upon the defendant and any amount the defendant has been ordered to pay in restitution.

(4) When the court determines that the defendant's ability to pay is different from the determination of the probation officer, the court shall state on the record the reason for its order.

(c) The court may hold additional hearings during the probationary, conditional sentence, or mandatory supervision period to review the defendant's financial ability to pay the amount, and in the manner, as set by the probation officer, or the officer's authorized representative, or as set by the court pursuant to this section.

(d) If practicable, the court shall order or the probation officer shall set payments pursuant to subdivisions (a) and (b) to be made on a monthly basis. Execution may be issued on the order issued pursuant to this section in the same manner as a judgment in a civil action. The order to pay all or part of the costs shall not be enforced by contempt.

(e) The term "ability to pay" means the overall capability of the defendant to reimburse the costs, or a portion of the costs, of conducting the presentence investigation, preparing the preplea or presentence report, processing a jurisdictional transfer pursuant to Section 1203.9, processing requests for interstate compact supervision pursuant to Sections 11175 to 11179, inclusive, and probation supervision, conditional sentence, or mandatory supervision, and shall include, but shall not be limited to, the defendant's:

(1) Present financial position.

(2) Reasonably discernible future financial position. In no event shall the court consider a period of more than one year from the date of the hearing for purposes of determining reasonably discernible future financial position.

(3) Likelihood that the defendant shall be able to obtain employment within the one-year period from the date of the hearing.

(4) Any other factor or factors that may bear upon the defendant's financial capability to reimburse the county for the costs.

(f) At any time during the pendency of the judgment rendered according to the terms of this section, a defendant against whom a judgment has been rendered may petition the probation officer for a review of the defendant's financial ability to pay or the rendering court to modify or vacate its previous judgment on the grounds of a change of circumstances with regard to the defendant's ability to pay the judgment. The probation officer and the court shall advise the defendant of this right at the time of rendering of the terms of probation or the judgment.

(g) All sums paid by a defendant pursuant to this section shall be allocated for the operating expenses of the county probation department.

(h) The board of supervisors in any county, by resolution, may establish a fee for the processing of payments made in installments to the probation department pursuant to this section, not to exceed the administrative and clerical costs of the collection of those installment payments as determined by the board of supervisors, except that the fee shall not exceed seventy-five dollars (\$75).

(i) This section shall be operative in a county upon the adoption of an ordinance to that effect by the board of supervisors.

(j) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

SEC. 48. Section 1203.1bb of the Penal Code is amended to read:

1203.1bb. (a) The reasonable cost of probation determined under subdivision (a) of Section 1203.1b shall include the cost of purchasing and installing an ignition interlock device pursuant to Section 13386 of the Vehicle Code. Any defendant subject to this section shall pay the manufacturer of the ignition interlock device directly for the cost of its purchase and installation, in accordance with the payment schedule ordered by the court. If practicable, the court shall order payment to be made to the manufacturer of the ignition interlock device within a six-month period.

(b) This section does not require any county to pay the costs of purchasing and installing any ignition interlock devices ordered pursuant to Section 13386 of the Vehicle Code. The Office of Traffic Safety shall consult with the presiding judge or the judge's designee in each county to determine an appropriate means, if any, to provide for installation of ignition interlock devices in cases in which the defendant has no ability to pay.

(c) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

1203.1bb. (a) If a defendant is granted probation and ordered to install an ignition interlock device, the defendant shall be required to pay the cost of purchasing and installing an ignition interlock device pursuant to Section 13386 of the Vehicle Code. The cost shall be determined pursuant to subdivision (k) of Section 23575.3 of the Vehicle Code. Any defendant subject to this section shall pay the manufacturer of the ignition interlock device directly for the cost of its purchase and installation, in accordance with the payment schedule ordered by the court. If practicable, the court shall order payment to be made to the manufacturer of the ignition interlock device within a six-month period.

(b) This section does not require any county to pay the costs of purchasing and installing any ignition interlock devices ordered pursuant to Section 13386 of the Vehicle Code. The Office of Traffic Safety shall consult with the presiding judge or the presiding judge's designee in each county to determine an appropriate means, if any, to provide for installation of ignition interlock devices in cases in which the defendant has no ability to pay.

(c) This section shall become operative on July 1, 2021.

SEC. 50. Section 1203.1d of the Penal Code is amended to read:

1203.1d. (a) In determining the amount and manner of disbursement under an order made pursuant to this code requiring a defendant to make reparation or restitution to a victim of a crime, to pay any money as reimbursement for legal assistance provided by the court, to pay any cost of probation or probation investigation, to pay any cost of jail or other confinement, or to pay any other reimbursable costs, the court, after determining the amount of any fine and penalty assessments, and a county

financial evaluation officer when making a financial evaluation, shall first determine the amount of restitution to be ordered paid to any victim, and shall then determine the amount of the other reimbursable costs.

If payment is made in full, the payment shall be apportioned and disbursed in the amounts ordered by the court.

If reasonable and compatible with the defendant's financial ability, the court may order payments to be made in installments.

(b) With respect to installment payments and amounts collected by the Franchise Tax Board pursuant to Section 19280 of the Revenue and Taxation Code and subsequently transferred by the Controller pursuant to Section 19282 of the Revenue and Taxation Code, the board of supervisors shall provide that disbursements be made in the following order of priority:

(1) Restitution ordered to, or on behalf of, the victim pursuant to subdivision (f) of Section 1202.4.

(2) The state surcharge ordered pursuant to Section 1465.7.

(3) Any fines, penalty assessments, and restitution fines ordered pursuant to subdivision (b) of Section 1202.4. Payment of each of these items shall be made on a proportional basis to the total amount levied for all of these items.

(4) Any other reimbursable costs.

(c) The board of supervisors shall apply these priorities of disbursement to orders or parts of orders in cases where defendants have been ordered to pay more than one court order.

(d) Documentary evidence, such as bills, receipts, repair estimates, insurance payment statements, payroll stubs, business records, and similar documents relevant to the value of the stolen or damaged property, medical expenses, and wages and profits lost shall not be excluded as hearsay evidence.

(e) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

SEC. 51. Section 1203.1d is added to the Penal Code, to read:

1203.1d. (a) In determining the amount and manner of disbursement under an order made pursuant to this code requiring a defendant to make reparation or restitution to a victim of a crime, to pay any cost of jail or other confinement, or to pay any other reimbursable costs, the court, after determining the amount of any fine and penalty assessments, and a county financial evaluation officer when making a financial evaluation, shall first determine the amount of restitution to be ordered paid to any victim, and shall determine the amount of the other reimbursable costs.

If payment is made in full, the payment shall be apportioned and disbursed in the amounts ordered by the court.

If reasonable and compatible with the defendant's financial ability, the court may order payments to be made in installments.

(b) With respect to installment payments and amounts collected by the Franchise Tax Board pursuant to Section 19280 of the Revenue and Taxation Code and subsequently transferred by the Controller pursuant to Section

19282 of the Revenue and Taxation Code, the board of supervisors shall provide that disbursements be made in the following order of priority:

(1) Restitution ordered to, or on behalf of, the victim pursuant to subdivision (f) of Section 1202.4.

(2) The state surcharge ordered pursuant to Section 1465.7.

(3) Any fines, penalty assessments, and restitution fines ordered pursuant to subdivision (b) of Section 1202.4. Payment of each of these items shall be made on a proportional basis to the total amount levied for all of these items.

(4) Any other reimbursable costs.

(c) The board of supervisors shall apply these priorities of disbursement to orders or parts of orders in cases where defendants have been ordered to pay more than one court order.

(d) Documentary evidence, such as bills, receipts, repair estimates, insurance payment statements, payroll stubs, business records, and similar documents relevant to the value of the stolen or damaged property, medical expenses, and wages and profits lost shall not be excluded as hearsay evidence.

(e) This section shall become operative on July 1, 2021.

SEC. 52. Section 1203.1e of the Penal Code is amended to read:

1203.1e. (a) In any case in which a defendant is ordered to serve a period of confinement in a county jail or other local detention facility, and the defendant is eligible to be released on parole by the county board of parole commissioners, the court shall, after a hearing, make a determination of the ability of the person to pay all or a portion of the reasonable cost of providing parole supervision. The reasonable cost of those services shall not exceed the amount determined to be the actual average cost of providing parole supervision.

(b) If the court determines that the person has the ability to pay all or part of the costs, the court may set the amount to be reimbursed and order the person to pay that sum to the county in the manner in which the court believes reasonable and compatible with the person's financial ability. In making a determination of whether a person has the ability to pay, the court shall take into account the amount of any fine imposed upon the person and any amount the person has been ordered to pay in restitution.

If practicable, the court shall order payments to be made on a monthly basis as directed by the court. Execution may be issued on the order in the same manner as a judgment in a civil action. The order to pay all or part of the costs shall not be enforced by contempt.

(c) For the purposes of this section, "ability to pay" means the overall capability of the person to reimburse the costs, or a portion of the costs, of providing parole supervision and shall include, but shall not be limited to, consideration of all of the following factors:

(1) Present financial position.

(2) Reasonably discernible future financial position. In no event shall the board consider a period of more than six months from the date of the

hearing for purposes of determining reasonably discernible future financial position.

(3) Likelihood that the person shall be able to obtain employment within the six-month period from the date of the hearing.

(4) Any other factor or factors which may bear upon the person's financial capability to reimburse the county for the costs.

(d) At any time during the pendency of the order made under this section, a person against whom an order has been made may petition the court to modify or vacate its previous order on the grounds of a change of circumstances with regard to the person's ability to pay. The court shall advise the person of this right at the time of making the order.

(e) All sums paid by any person pursuant to this section shall be deposited in the general fund of the county.

(f) The parole of any person shall not be denied or revoked in whole or in part based upon the inability or failure to pay under this section.

(g) The county board of parole commissioners shall not have access to offender financial data prior to the rendering of any parole decision.

(h) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

SEC. 53. Section 1203.9 of the Penal Code is amended to read:

1203.9. (a) (1) Except as provided in paragraph (3), whenever a person is released on probation or mandatory supervision, the court, upon noticed motion, shall transfer the case to the superior court in any other county in which the person resides permanently with the stated intention to remain for the duration of probation or mandatory supervision, unless the transferring court determines that the transfer would be inappropriate and states its reasons on the record.

(2) Upon notice of the motion for transfer, the court of the proposed receiving county may provide comments for the record regarding the proposed transfer, following procedures set forth in rules of court developed by the Judicial Council for this purpose, pursuant to subdivision (f). The court and the probation department shall give the matter of investigating those transfers precedence over all actions or proceedings therein, except actions or proceedings to which special precedence is given by law, to the end that all those transfers shall be completed expeditiously.

(3) If victim restitution was ordered as a condition of probation or mandatory supervision, the transferring court shall determine the amount of restitution before the transfer unless the court finds that the determination cannot be made within a reasonable time from when the motion for transfer is made. If a case is transferred without a determination of the amount of restitution, the transferring court shall complete the determination as soon as practicable. In all other aspects, except as provided in subdivisions (d) and (e), the court of the receiving county shall have full jurisdiction over the matter upon transfer as provided in subdivision (b).

(b) The court of the receiving county shall accept the entire jurisdiction over the case effective the date that the transferring court orders the transfer.

(c) The order of transfer shall contain an order committing the probationer or supervised person to the care and custody of the probation officer of the receiving county and, if applicable, an order for reimbursement of reasonable costs for processing the transfer to be paid to the sending county in accordance with Section 1203.1b. A copy of the orders and any probation reports shall be transmitted to the court and probation officer of the receiving county within two weeks of the finding that the person does permanently reside in or has permanently moved to that county, and the receiving court shall have entire jurisdiction over the case, except as provided in subdivisions (d) and (e), with the like power to again request transfer of the case whenever it seems proper.

(d) (1) Notwithstanding subdivision (b) and except as provided in subdivision (e), if the transferring court has ordered the defendant to pay fines, fees, forfeitures, penalties, assessments, or restitution, the transfer order shall require that those and any other amounts ordered by the transferring court that are still unpaid at the time of transfer be paid by the defendant to the collection program for the transferring court for proper distribution and accounting once collected.

(2) The receiving court and receiving county probation department may impose additional local fees and costs as authorized, and shall notify the responsible collection program for the transferring court of those changes.

(3) Any local fees imposed pursuant to paragraph (2) shall be paid by the defendant to the collection program for the transferring court which shall remit the additional fees and costs to the receiving court for proper accounting and distribution.

(e) (1) Upon approval of a transferring court, a receiving court may elect to collect all of the court-ordered payments from a defendant attributable to the case under which the defendant is being supervised, provided, however, that the collection program for the receiving court transmits the revenue collected to the collection program for the transferring court for deposit, accounting, and distribution. A collection program for the receiving court shall not charge administrative fees for collections performed for the collection program for the transferring court without a written agreement with the other program.

(2) A collection program for a receiving court collecting funds for a collection program for a transferring court pursuant to paragraph (1) shall not report revenue owed or collected on behalf of the collection program for the transferring court as part of those collections required to be reported annually by the court to the Judicial Council.

(f) The Judicial Council shall promulgate rules of court for procedures by which the proposed receiving county shall receive notice of the motion for transfer and by which responsive comments may be transmitted to the court of the transferring county. The Judicial Council shall adopt rules providing factors for the court's consideration when determining the appropriateness of a transfer, including, but not limited to, the following:

- (1) Permanency of residence of the offender.
- (2) Local programs available for the offender.

(3) Restitution orders and victim issues.

(g) The Judicial Council shall consider adoption of rules of court as it deems appropriate to implement the collection, accounting, and disbursement requirements of subdivisions (d) and (e).

(h) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

SEC. 54. Section 1203.9 is added to the Penal Code, to read:

1203.9. (a) (1) Except as provided in paragraph (3), whenever a person is released on probation or mandatory supervision, the court, upon noticed motion, shall transfer the case to the superior court in any other county in which the person resides permanently with the stated intention to remain for the duration of probation or mandatory supervision, unless the transferring court determines that the transfer would be inappropriate and states its reasons on the record.

(2) Upon notice of the motion for transfer, the court of the proposed receiving county may provide comments for the record regarding the proposed transfer, following procedures set forth in rules of court developed by the Judicial Council for this purpose, pursuant to subdivision (f). The court and the probation department shall give the matter of investigating those transfers precedence over all actions or proceedings therein, except actions or proceedings to which special precedence is given by law, to the end that all those transfers shall be completed expeditiously.

(3) If victim restitution was ordered as a condition of probation or mandatory supervision, the transferring court shall determine the amount of restitution before the transfer unless the court finds that the determination cannot be made within a reasonable time from when the motion for transfer is made. If a case is transferred without a determination of the amount of restitution, the transferring court shall complete the determination as soon as practicable. In all other aspects, except as provided in subdivisions (d) and (e), the court of the receiving county shall have full jurisdiction over the matter upon transfer as provided in subdivision (b).

(b) The court of the receiving county shall accept the entire jurisdiction over the case effective the date that the transferring court orders the transfer.

(c) The order of transfer shall contain an order committing the probationer or supervised person to the care and custody of the probation officer of the receiving county. A copy of the orders and any probation reports shall be transmitted to the court and probation officer of the receiving county within two weeks of the finding that the person does permanently reside in or has permanently moved to that county, and the receiving court shall have entire jurisdiction over the case, except as provided in subdivisions (d) and (e), with the like power to again request transfer of the case whenever it seems proper.

(d) (1) Notwithstanding subdivision (b) and except as provided in subdivision (e), if the transferring court has ordered the defendant to pay fines, fees, forfeitures, penalties, assessments, or restitution, the transfer order shall require that those and any other amounts ordered by the

transferring court that are still unpaid at the time of transfer be paid by the defendant to the collection program for the transferring court for proper distribution and accounting once collected.

(2) The receiving court and receiving county probation department may impose additional local fees and costs as authorized, and shall notify the responsible collection program for the transferring court of those changes.

(3) Any local fees imposed pursuant to paragraph (2) shall be paid by the defendant to the collection program for the transferring court which shall remit the additional fees and costs to the receiving court for proper accounting and distribution.

(e) (1) Upon approval of a transferring court, a receiving court may elect to collect all of the court-ordered payments from a defendant attributable to the case under which the defendant is being supervised, provided, however, that the collection program for the receiving court transmits the revenue collected to the collection program for the transferring court for deposit, accounting, and distribution. A collection program for the receiving court shall not charge administrative fees for collections performed for the collection program for the transferring court without a written agreement with the other program.

(2) A collection program for a receiving court collecting funds for a collection program for a transferring court pursuant to paragraph (1) shall not report revenue owed or collected on behalf of the collection program for the transferring court as part of those collections required to be reported annually by the court to the Judicial Council.

(f) The Judicial Council shall promulgate rules of court for procedures by which the proposed receiving county shall receive notice of the motion for transfer and by which responsive comments may be transmitted to the court of the transferring county. The Judicial Council shall adopt rules providing factors for the court's consideration when determining the appropriateness of a transfer, including, but not limited to, the following:

- (1) Permanency of residence of the offender.
- (2) Local programs available for the offender.
- (3) Restitution orders and victim issues.

(g) The Judicial Council shall consider adoption of rules of court as it deems appropriate to implement the collection, accounting, and disbursement requirements of subdivisions (d) and (e).

(h) This section shall become operative on July 1, 2021.

SEC. 55. Section 1208 of the Penal Code is amended to read:

1208. (a) (1) The provisions of this section, insofar as they relate to employment, shall be operative in any county in which the board of supervisors by ordinance finds, on the basis of employment conditions, the state of the county jail facilities, and other pertinent circumstances, that the operation of this section, insofar as it relates to employment, in that county is feasible. The provisions of this section, insofar as they relate to job training, shall be operative in any county in which the board of supervisors by ordinance finds, on the basis of job training conditions, the state of the county jail facilities, and other pertinent circumstances, that the operation

of this section, insofar as it relates to job training, in that county is feasible. The provisions of this section, insofar as they relate to education, shall be operative in any county in which the board of supervisors by ordinance finds, on the basis of education conditions, the state of the county jail facilities, and other pertinent circumstances, that the operation of this section, insofar as it relates to education, in that county is feasible. In any ordinance the board shall prescribe whether the sheriff, the probation officer, the director of the county department of corrections, or the superintendent of a county industrial farm or industrial road camp in the county shall perform the functions of the work furlough administrator. The board may, in that ordinance, provide for the performance of any or all functions of the work furlough administrator by any one or more of those persons, acting separately or jointly as to any of the functions; and may, by a subsequent ordinance, revise the provisions within the authorization of this section. The board of supervisors may also terminate the operation of this section, either with respect to employment, job training, or education in the county, if the board finds by ordinance that because of changed circumstances, the operation of this section, either with respect to employment, job training, or education in that county, is no longer feasible.

(2) Notwithstanding any other law, the board of supervisors may by ordinance designate a facility for confinement of prisoners classified for the work furlough program and designate the work furlough administrator as the custodian of the facility. The work furlough administrator may operate the work furlough facility or, with the approval of the board of supervisors, administer the work furlough facility pursuant to written contracts with appropriate public or private agencies or private entities. No agency or private entity may operate a work furlough program or facility without a written contract with the work furlough administrator, and no agency or private entity entering into a written contract may itself employ any person who is in the work furlough program. The sheriff or director of the county department of corrections, as the case may be, is authorized to transfer custody of prisoners to the work furlough administrator to be confined in a facility for the period during which they are in the work furlough program.

(3) All privately operated local work furlough facilities and programs shall be under the jurisdiction of, and subject to the terms of a written contract entered into with, the work furlough administrator. Each contract shall include, but not be limited to, a provision whereby the private agency or entity agrees to operate in compliance with all appropriate state and local building, zoning, health, safety, and fire statutes, ordinances, and regulations and the minimum jail standards for Type IV facilities as established by regulations adopted by the Board of State and Community Corrections, and a provision whereby the private agency or entity agrees to operate in compliance with Section 1208.2, which provides that no eligible person shall be denied consideration for, or be removed from, participation in a work furlough program because of an inability to pay all or a portion of the program fees. The private agency or entity shall select and train its personnel in accordance with selection and training requirements adopted by the Board

of State and Community Corrections as set forth in Subchapter 1 (commencing with Section 100) of Chapter 1 of Division 1 of Title 15 of the California Code of Regulations. Failure to comply with the appropriate health, safety, and fire laws or minimum jail standards adopted by the board may be cause for termination of the contract. Upon discovery of a failure to comply with these requirements, the work furlough administrator shall notify the privately operated program director that the contract may be canceled if the specified deficiencies are not corrected within 60 days.

(4) All private work furlough facilities and programs shall be inspected biennially by the Board of State and Community Corrections unless the work furlough administrator requests an earlier inspection pursuant to Section 6031.1. Each private agency or entity shall pay a fee to the Board of State and Community Corrections commensurate with the cost of those inspections and a fee commensurate with the cost of the initial review of the facility.

(b) When a person is convicted and sentenced to the county jail, or is imprisoned in the county jail for nonpayment of a fine, for contempt, or as a condition of probation for any criminal offense, the work furlough administrator may, if the administrator concludes that the person is a fit subject to continue in the person's regular employment, direct that the person be permitted to continue in that employment, if that is compatible with the requirements of subdivision (c), or may authorize the person to secure employment for themselves, unless the court at the time of sentencing or committing has ordered that the person not be granted work furloughs. The work furlough administrator may, if the administrator concludes that the person is a fit subject to continue in the person's job training program, direct that the person be permitted to continue in that job training program, if that is compatible with the requirements of subdivision (c), or may authorize the person to secure local job training for themselves, unless the court at the time of sentencing has ordered that person not be granted work furloughs. The work furlough administrator may, if the administrator concludes that the person is a fit subject to continue in the person's regular educational program, direct that the person be permitted to continue in that educational program, if that is compatible with the requirements of subdivision (c), or may authorize the person to secure education for themselves, unless the court at the time of sentencing has ordered that person not be granted work furloughs.

(c) If the work furlough administrator so directs that the prisoner be permitted to continue in the prisoner's regular employment, job training, or educational program, the administrator shall arrange for a continuation of that employment or for that job training or education, so far as possible without interruption. If the prisoner does not have regular employment or a regular job training or educational program, and the administrator has authorized the prisoner to secure employment, job training, or education for themselves, the prisoner may do so, and the administrator may assist the prisoner in doing so. Any employment, job training, or education so secured shall be suitable for the prisoner. The employment, and the job training or educational program if it includes earnings by the prisoner, shall

be at a wage at least as high as the prevailing wage for similar work in the area where the work is performed and in accordance with the prevailing working conditions in that area. In no event may any employment, job training, or educational program involving earnings by the prisoner be permitted where there is a labor dispute in the establishment in which the prisoner is, or is to be, employed, trained, or educated.

(d) (1) Whenever the prisoner is not employed or being trained or educated and between the hours or periods of employment, training, or education, the prisoner shall be confined in the facility designated by the board of supervisors for work furlough confinement unless the work furlough administrator directs otherwise. If the prisoner is injured during a period of employment, job training, or education, the work furlough administrator shall have the authority to release the prisoner from the facility for continued medical treatment by private physicians or at medical facilities at the expense of the employer, workers' compensation insurer, or the prisoner. The release shall not be construed as assumption of liability by the county or work furlough administrator for medical treatment obtained.

(2) The work furlough administrator may release any prisoner classified for the work furlough program for a period not to exceed 72 hours for medical, dental, or psychiatric care, or for family emergencies or pressing business which would result in severe hardship if the release were not granted, or to attend those activities as the administrator deems may effectively promote the prisoner's successful return to the community, including, but not limited to, an attempt to secure housing, employment, entry into educational programs, or participation in community programs.

(e) The earnings of the prisoner may be collected by the work furlough administrator, and it shall be the duty of the prisoner's employer to transmit the wages to the administrator at the latter's request. Earnings levied upon pursuant to writ of execution or in other lawful manner shall not be transmitted to the administrator. If the administrator has requested transmittal of earnings prior to levy, that request shall have priority. In a case in which the functions of the administrator are performed by a sheriff, and the sheriff receives a writ of execution for the earnings of a prisoner subject to this section but has not yet requested transmittal of the prisoner's earnings pursuant to this section, the sheriff shall first levy on the earnings pursuant to the writ. When an employer or educator transmits earnings to the administrator pursuant to this subdivision, the sheriff shall have no liability to the prisoner for those earnings. From the earnings the administrator shall pay the prisoner's board and personal expenses, both inside and outside the jail, and shall deduct so much of the costs of administration of this section as is allocable to the prisoner or if the prisoner is unable to pay that sum, a lesser sum as is reasonable, and, in an amount determined by the administrator, shall pay the support of the prisoner's dependents, if any. If sufficient funds are available after making the foregoing payments, the administrator may, with the consent of the prisoner, pay, in whole or in part, the preexisting debts of the prisoner. Any balance shall be retained until the

prisoner's discharge. Upon discharge the balance shall be paid to the prisoner.

(f) The prisoner shall be eligible for time credits pursuant to Sections 4018 and 4019.

(g) If the prisoner violates the conditions laid down for the prisoner's conduct, custody, job training, education, or employment, the work furlough administrator may order the balance of the prisoner's sentence to be spent in actual confinement.

(h) Willful failure of the prisoner to return to the place of confinement not later than the expiration of any period during which the prisoner is authorized to be away from the place of confinement pursuant to this section is punishable as provided in Section 4532.

(i) The court may recommend or refer a person to the work furlough administrator for consideration for placement in the work furlough program or a particular work furlough facility. The recommendation or referral of the court shall be given great weight in the determination of acceptance or denial for placement in the work furlough program or a particular work furlough facility.

(j) As used in this section, the following definitions apply:

(1) "Education" includes vocational and educational training and counseling, and psychological, drug abuse, alcoholic, and other rehabilitative counseling.

(2) "Educator" includes a person or institution providing that training or counseling.

(3) "Employment" includes care of children, including the daytime care of children of the prisoner.

(4) "Job training" may include, but shall not be limited to, job training assistance.

(k) This section shall be known and may be cited as the "Cobey Work Furlough Law."

(l) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

SEC. 56. Section 1208 is added to the Penal Code, to read:

1208. (a) (1) The provisions of this section, insofar as they relate to employment, shall be operative in any county in which the board of supervisors by ordinance finds, on the basis of employment conditions, the state of the county jail facilities, and other pertinent circumstances, that the operation of this section, insofar as it relates to employment, in that county is feasible. The provisions of this section, insofar as they relate to job training, shall be operative in any county in which the board of supervisors by ordinance finds, on the basis of job training conditions, the state of the county jail facilities, and other pertinent circumstances, that the operation of this section, insofar as it relates to job training, in that county is feasible. The provisions of this section, insofar as they relate to education, shall be operative in any county in which the board of supervisors by ordinance finds, on the basis of education conditions, the state of the county jail

facilities, and other pertinent circumstances, that the operation of this section, insofar as it relates to education, in that county is feasible. In any ordinance the board shall prescribe whether the sheriff, the probation officer, the director of the county department of corrections, or the superintendent of a county industrial farm or industrial road camp in the county shall perform the functions of the work furlough administrator. The board may, in that ordinance, provide for the performance of any or all functions of the work furlough administrator by any one or more of those persons, acting separately or jointly as to any of the functions; and may, by a subsequent ordinance, revise the provisions within the authorization of this section. The board of supervisors may also terminate the operation of this section, either with respect to employment, job training, or education in the county, if the board finds by ordinance that because of changed circumstances, the operation of this section, either with respect to employment, job training, or education in that county, is no longer feasible.

(2) Notwithstanding any other law, the board of supervisors may by ordinance designate a facility for confinement of prisoners classified for the work furlough program and designate the work furlough administrator as the custodian of the facility. The work furlough administrator may operate the work furlough facility or, with the approval of the board of supervisors, administer the work furlough facility pursuant to written contracts with appropriate public or private agencies or private entities. No agency or private entity may operate a work furlough program or facility without a written contract with the work furlough administrator, and no agency or private entity entering into a written contract may itself employ any person who is in the work furlough program. The sheriff or director of the county department of corrections, as the case may be, is authorized to transfer custody of prisoners to the work furlough administrator to be confined in a facility for the period during which they are in the work furlough program.

(3) All privately operated local work furlough facilities and programs shall be under the jurisdiction of, and subject to the terms of a written contract entered into with, the work furlough administrator. Each contract shall include, but not be limited to, a provision whereby the private agency or entity agrees to operate in compliance with all appropriate state and local building, zoning, health, safety, and fire statutes, ordinances, and regulations and the minimum jail standards for Type IV facilities as established by regulations adopted by the Board of State and Community Corrections. The private agency or entity shall select and train its personnel in accordance with selection and training requirements adopted by the Board of State and Community Corrections as set forth in Subchapter 1 (commencing with Section 100) of Chapter 1 of Division 1 of Title 15 of the California Code of Regulations. Failure to comply with the appropriate health, safety, and fire laws or minimum jail standards adopted by the board may be cause for termination of the contract. Upon discovery of a failure to comply with these requirements, the work furlough administrator shall notify the privately operated program director that the contract may be canceled if the specified deficiencies are not corrected within 60 days.

(4) All private work furlough facilities and programs shall be inspected biennially by the Board of State and Community Corrections unless the work furlough administrator requests an earlier inspection pursuant to Section 6031.1. Each private agency or entity shall pay a fee to the Board of State and Community Corrections commensurate with the cost of those inspections and a fee commensurate with the cost of the initial review of the facility.

(b) When a person is convicted and sentenced to the county jail, or is imprisoned in the county jail for nonpayment of a fine, for contempt, or as a condition of probation for any criminal offense, the work furlough administrator may, if the administrator concludes that the person is a fit subject to continue in the person's regular employment, direct that the person be permitted to continue in that employment, if that is compatible with the requirements of subdivision (c), or may authorize the person to secure employment for themselves, unless the court at the time of sentencing or committing has ordered that the person not be granted work furloughs. The work furlough administrator may, if the administrator concludes that the person is a fit subject to continue in the person's job training program, direct that the person be permitted to continue in that job training program, if that is compatible with the requirements of subdivision (c), or may authorize the person to secure local job training for themselves, unless the court at the time of sentencing has ordered that person not be granted work furloughs. The work furlough administrator may, if the administrator concludes that the person is a fit subject to continue in the person's regular educational program, direct that the person be permitted to continue in that educational program, if that is compatible with the requirements of subdivision (c), or may authorize the person to secure education for themselves, unless the court at the time of sentencing has ordered that person not be granted work furloughs.

(c) If the work furlough administrator so directs that the prisoner be permitted to continue in the prisoner's regular employment, job training, or educational program, the administrator shall arrange for a continuation of that employment or for that job training or education, so far as possible without interruption. If the prisoner does not have regular employment or a regular job training or educational program, and the administrator has authorized the prisoner to secure employment, job training, or education for themselves, the prisoner may do so, and the administrator may assist the prisoner in doing so. Any employment, job training, or education so secured shall be suitable for the prisoner. The employment, and the job training or educational program if it includes earnings by the prisoner, shall be at a wage at least as high as the prevailing wage for similar work in the area where the work is performed and in accordance with the prevailing working conditions in that area. In no event may any employment, job training, or educational program involving earnings by the prisoner be permitted where there is a labor dispute in the establishment in which the prisoner is, or is to be, employed, trained, or educated.

(d) (1) Whenever the prisoner is not employed or being trained or educated and between the hours or periods of employment, training, or

education, the prisoner shall be confined in the facility designated by the board of supervisors for work furlough confinement unless the work furlough administrator directs otherwise. If the prisoner is injured during a period of employment, job training, or education, the work furlough administrator shall have the authority to release the prisoner from the facility for continued medical treatment by private physicians or at medical facilities at the expense of the employer, workers' compensation insurer, or the prisoner. The release shall not be construed as assumption of liability by the county or work furlough administrator for medical treatment obtained.

(2) The work furlough administrator may release any prisoner classified for the work furlough program for a period not to exceed 72 hours for medical, dental, or psychiatric care, or for family emergencies or pressing business which would result in severe hardship if the release were not granted, or to attend those activities as the administrator deems may effectively promote the prisoner's successful return to the community, including, but not limited to, an attempt to secure housing, employment, entry into educational programs, or participation in community programs.

(e) The earnings of the prisoner may be collected by the work furlough administrator, and it shall be the duty of the prisoner's employer to transmit the wages to the administrator at the latter's request. Earnings levied upon pursuant to writ of execution or in other lawful manner shall not be transmitted to the administrator. If the administrator has requested transmittal of earnings prior to levy, that request shall have priority. In a case in which the functions of the administrator are performed by a sheriff, and the sheriff receives a writ of execution for the earnings of a prisoner subject to this section but has not yet requested transmittal of the prisoner's earnings pursuant to this section, the sheriff shall first levy on the earnings pursuant to the writ. When an employer or educator transmits earnings to the administrator pursuant to this subdivision, the sheriff shall have no liability to the prisoner for those earnings. From the earnings the administrator shall pay the prisoner's board and personal expenses, both inside and outside the jail, and shall deduct so much of the costs of administration of this section as is allocable to the prisoner or if the prisoner is unable to pay that sum, a lesser sum as is reasonable, and, in an amount determined by the administrator, shall pay the support of the prisoner's dependents, if any. If sufficient funds are available after making the foregoing payments, the administrator may, with the consent of the prisoner, pay, in whole or in part, the preexisting debts of the prisoner. Any balance shall be retained until the prisoner's discharge. Upon discharge the balance shall be paid to the prisoner.

(f) The prisoner shall be eligible for time credits pursuant to Sections 4018 and 4019.

(g) If the prisoner violates the conditions laid down for the prisoner's conduct, custody, job training, education, or employment, the work furlough administrator may order the balance of the prisoner's sentence to be spent in actual confinement.

(h) Willful failure of the prisoner to return to the place of confinement not later than the expiration of any period during which the prisoner is authorized to be away from the place of confinement pursuant to this section is punishable as provided in Section 4532.

(i) The court may recommend or refer a person to the work furlough administrator for consideration for placement in the work furlough program or a particular work furlough facility. The recommendation or referral of the court shall be given great weight in the determination of acceptance or denial for placement in the work furlough program or a particular work furlough facility.

(j) As used in this section, the following definitions apply:

(1) “Education” includes vocational and educational training and counseling, and psychological, drug abuse, alcoholic, and other rehabilitative counseling.

(2) “Educator” includes a person or institution providing that training or counseling.

(3) “Employment” includes care of children, including the daytime care of children of the prisoner.

(4) “Job training” may include, but shall not be limited to, job training assistance.

(k) This section shall be known and may be cited as the “Cobey Work Furlough Law.”

(l) This section shall become operative July 1, 2021.

SEC. 57. Section 1208.2 of the Penal Code is amended to read:

1208.2. (a) (1) This section shall apply to individuals authorized to participate in a work furlough program pursuant to Section 1208, or to individuals authorized to participate in an electronic home detention program pursuant to Section 1203.016 or 1203.018, or to individuals authorized to participate in a county parole program pursuant to Article 3.5 (commencing with Section 3074) of Chapter 8 of Title 1 of Part 3.

(2) As used in this section, as appropriate, “administrator” means the sheriff, probation officer, director of the county department of corrections, or county parole administrator.

(b) (1) A board of supervisors that implements programs identified in paragraph (1) of subdivision (a), may prescribe a program administrative fee and an application fee, that together shall not exceed the pro rata cost of the program to which the person is accepted, including equipment, supervision, and other operating costs, except as provided in paragraphs (2) and (3).

(2) With regard to a privately operated electronic home detention program pursuant to Section 1203.016 or 1203.018, the limitation, described in paragraph (1), in prescribing a program administrative fee and application fee shall not apply.

(3) With regard to an electronic home detention program operated pursuant to Section 1203.016, whether or not the program is privately operated, any administrative fee or application fee prescribed by a board of

supervisors shall only apply to adults over 21 years of age and under the jurisdiction of the criminal court.

(c) The correctional administrator, or the administrator's designee, shall not have access to a person's financial data prior to granting or denying a person's participation in, or assigning a person to, any of the programs governed by this section.

(d) The correctional administrator, or the administrator's designee, shall not consider a person's ability or inability to pay all or a portion of the program fee for the purposes of granting or denying a person's participation in, or assigning a person to, any of the programs governed by this section.

(e) For purposes of this section, "ability to pay" means the overall capability of the person to reimburse the costs, or a portion of the costs, of providing supervision and shall include, but shall not be limited to, consideration of all of the following factors:

(1) Present financial position.

(2) Reasonably discernible future financial position. In no event shall the administrator, or the administrator's designee, consider a period of more than six months from the date of acceptance into the program for purposes of determining reasonably discernible future financial position.

(3) Likelihood that the person shall be able to obtain employment within the six-month period from the date of acceptance into the program.

(4) Any other factor that may bear upon the person's financial capability to reimburse the county for the fees fixed pursuant to subdivision (b).

(f) The administrator, or the administrator's designee, may charge a person the fee set by the board of supervisors or any portion of the fee and may determine the method and frequency of payment. Any fee the administrator, or the administrator's designee, charges pursuant to this section shall not in any case be in excess of the fee set by the board of supervisors and shall be based on the person's ability to pay. The administrator, or the administrator's designee, shall have the option to waive the fees for program supervision when deemed necessary, justified, or in the interests of justice. The fees charged for program supervision may be modified or waived at any time based on the changing financial position of the person. All fees paid by persons for program supervision shall be deposited into the general fund of the county.

(g) No person shall be denied consideration for, or be removed from, participation in any of the programs to which this section applies because of an inability to pay all or a portion of the program supervision fees. At any time during a person's sentence, the person may request that the administrator, or the administrator's designee, modify or suspend the payment of fees on the grounds of a change in circumstances with regard to the person's ability to pay.

(h) If the person and the administrator, or the administrator's designee, are unable to come to an agreement regarding the person's ability to pay, or the amount that is to be paid, or the method and frequency with which payment is to be made, the administrator, or the administrator's designee, shall advise the appropriate court of the fact that the person and

administrator, or the administrator's designee, have not been able to reach agreement and the court shall then resolve the disagreement by determining the person's ability to pay, the amount that is to be paid, and the method and frequency with which payment is to be made.

(i) At the time a person is approved for any of the programs to which this section applies, the administrator, or the administrator's designee, shall furnish the person a written statement of the person's rights in regard to the program for which the person has been approved, including, but not limited to, both of the following:

(1) The fact that the person cannot be denied consideration for or removed from participation in the program because of an inability to pay.

(2) The fact that if the person is unable to reach agreement with the administrator, or the administrator's designee, regarding the person's ability to pay, the amount that is to be paid, or the manner and frequency with which payment is to be made, that the matter shall be referred to the court to resolve the differences.

(j) In all circumstances where a county board of supervisors has approved a program administrator, as described in Section 1203.016, 1203.018, or 1208, to enter into a contract with a private agency or entity to provide specified program services, the program administrator shall ensure that the provisions of this section are contained within any contractual agreement for this purpose. All privately operated home detention programs shall comply with all appropriate, applicable ordinances and regulations specified in subdivision (a) of Section 1208.

(k) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

SEC. 58. Section 1208.2 is added to the Penal Code, to read:

1208.2. (a) (1) This section shall apply to individuals authorized to participate in a work furlough program pursuant to Section 1208, or to individuals authorized to participate in an electronic home detention program pursuant to Section 1203.016 or 1203.018, or to individuals authorized to participate in a county parole program pursuant to Article 3.5 (commencing with Section 3074) of Chapter 8 of Title 1 of Part 3.

(2) As used in this section, as appropriate, "administrator" means the sheriff, probation officer, director of the county department of corrections, or county parole administrator.

(b) (1) A board of supervisors that implements programs identified in paragraph (1) of subdivision (a) shall not impose a program administrative fee.

(2) With regard to a privately operated electronic home detention program pursuant to Section 1203.016 or 1203.018, the limitation, described in paragraph (1), in prescribing a program administrative fee and application fee shall not apply.

(c) In all circumstances where a county board of supervisors has approved a program administrator, as described in Section 1203.016, 1203.018, or 1208, to enter into a contract with a private agency or entity to provide

specified program services, the program administrator shall ensure that the provisions of this section are contained within any contractual agreement for this purpose. All privately operated home detention programs shall comply with all appropriate, applicable ordinances and regulations specified in subdivision (a) of Section 1208.

(d) This section shall become operative on July 1, 2021.

SEC. 59. Section 1208.3 of the Penal Code is amended to read:

1208.3. The administrator is not prohibited by subdivision (c) of Section 1208.2 from verifying any of the following:

(a) That the prisoner is receiving wages at a rate of pay not less than the prevailing minimum wage requirement as provided for in subdivision (c) of Section 1208.

(b) That the prisoner is working a specified minimum number of required hours.

(c) That the prisoner is covered under an appropriate or suitable workers' compensation insurance plan as may otherwise be required by law.

The purpose of the verification shall be solely to ensure that the prisoner's employment rights are being protected, that the prisoner is not being taken advantage of, that the job is suitable for the prisoner, and that the prisoner is making every reasonable effort to make a productive contribution to the community.

(d) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

(b) That the prisoner is working a specified minimum number of required hours.

(c) (1) That the prisoner is covered under an appropriate or suitable workers' compensation insurance plan as may otherwise be required by law.

(2) The purpose of the verification shall be solely to ensure that the prisoner's employment rights are being protected, that the prisoner is not being taken advantage of, that the job is suitable for the prisoner, and that the prisoner is making every reasonable effort to make a productive contribution to the community.

(d) This section shall become operative on July 1, 2021.

SEC. 61. Section 1210.15 of the Penal Code is amended to read:

1210.15. (a) A chief probation officer may charge persons on probation for the costs of any form of supervision that utilizes continuous electronic monitoring devices that monitor the whereabouts of the person pursuant to this chapter, upon a finding of the ability to pay those costs. However, the department shall waive any or all of that payment upon a finding of an

inability to pay. Inability to pay all or a portion of the costs of continuous electronic monitoring authorized by this chapter shall not preclude use of continuous electronic monitoring, and eligibility for probation shall not be enhanced by reason of ability to pay.

(b) A chief probation officer may charge a person on probation pursuant to subdivision (a) for the cost of continuous electronic monitoring in accordance with Section 1203.1b provided the person has first satisfied all other outstanding base fines, state and local penalties, restitution fines, and restitution orders imposed by a court.

(c) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

SEC. 62. Section 1465.9 is added to the Penal Code, to read:

1465.9. (a) On and after July 1, 2021, the balance of any court-imposed costs pursuant to Section 987.4, subdivision (a) of Section 987.5, Sections 987.8, 1203, 1203.1e, 1203.016, 1203.018, 1203.1b, 1208.2, 1210.15, 3010.8, 4024.2, and 6266, as those sections read on June 30, 2021, shall be unenforceable and uncollectible and any portion of a judgment imposing those costs shall be vacated.

(b) This section shall become operative on July 1, 2021.

SEC. 63. Section 3010.8 of the Penal Code is amended to read:

3010.8. (a) The department may charge persons on parole for the costs of any form of supervision that utilizes continuous electronic monitoring devices that monitor the whereabouts of the person pursuant to this article. (b) Any person released on parole pursuant to subdivision (a) may be required to pay for that monitoring upon a finding of the ability to pay those costs. However, the department shall waive any or all of that payment upon a finding of an inability to pay. The department shall consider any remaining amounts the person has been ordered to pay in fines, assessments and restitution fines, fees, and orders, and shall give priority to the payment of those items before requiring that the person pay for the continuous electronic monitoring.

(c) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

SEC. 64. Section 4024.2 of the Penal Code is amended to read:

4024.2. (a) Notwithstanding any other law, the board of supervisors of any county may authorize the sheriff or other official in charge of county correctional facilities to offer a voluntary program under which any person committed to the facility may participate in a work release program pursuant to criteria described in subdivision (b), in which one day of participation will be in lieu of one day of confinement.

(b) The criteria for a work release program are the following:

(1) The work release program shall consist of any of the following:

(A) Manual labor to improve or maintain levees or public facilities, including, but not limited to, streets, parks, and schools.

(B) Manual labor in support of nonprofit organizations, as approved by the sheriff or other official in charge of the correctional facilities. As a condition of assigning participants of a work release program to perform manual labor in support of nonprofit organizations pursuant to this section, the board of supervisors shall obtain workers' compensation insurance which shall be adequate to cover work-related injuries incurred by those participants, in accordance with Section 3363.5 of the Labor Code.

(C) Performance of graffiti cleanup for local governmental entities, including participation in a graffiti abatement program as defined in subdivision (f) of Section 594, as approved by the sheriff or other official in charge of the correctional facilities.

(D) Performance of weed and rubbish abatement on public and private property pursuant to Chapter 13 (commencing with Section 39501) of Part 2 of Division 3 of Title 4 of the Government Code, or Part 5 (commencing with Section 14875) or Part 6 (commencing with Section 14930) of Division 12 of the Health and Safety Code, as approved by the sheriff or other official in charge of the correctional facilities.

(E) Performance of house repairs or yard services for senior citizens and the performance of repairs to senior centers through contact with local senior service organizations, as approved by the sheriff or other official in charge of the correctional facilities. Where a work release participant has been assigned to this task, the sheriff or other official shall agree upon in advance with the senior service organization about the type of services to be rendered by the participant and the extent of contact permitted between the recipients of these services and the participant.

(F) Any person who is not able to perform manual labor as specified in this paragraph because of a medical condition, physical disability, or age, may participate in a work release program involving any other type of public sector work that is designated and approved by the sheriff or other official in charge of county correctional facilities.

(2) The sheriff or other official may permit a participant in a work release program to receive work release credit for documented participation in educational programs, vocational programs, substance abuse programs, life skills programs, or parenting programs. Participation in these programs shall be considered in lieu of performing labor in a work release program, with eight work-related hours to equal one day of custody credit.

(3) The work release program shall be under the direction of a responsible person appointed by the sheriff or other official in charge.

(4) The hours of labor to be performed pursuant to this section shall be uniform for all persons committed to a facility in a county and may be determined by the sheriff or other official in charge of county correctional facilities, and each day shall be a minimum of 8 and a maximum of 10 hours, in accordance with the normal working hours of county employees assigned

to supervise the programs. However, reasonable accommodation may be made for participation in a program under paragraph (2).

As used in this section, “nonprofit organizations” means organizations established or operated for the benefit of the public or in support of a significant public interest, as set forth in Section 501(c)(3) of the Internal Revenue Code. Organizations established or operated for the primary purpose of benefiting their own memberships are excluded.

(c) The board of supervisors may prescribe reasonable rules and regulations under which a work release program is operated and may provide that participants wear clothing of a distinctive character while performing the work. As a condition of participating in a work release program, a person shall give a promise to appear for work or assigned activity by signing a notice to appear before the sheriff or at the education, vocational, or substance abuse program at a time and place specified in the notice and shall sign an agreement that the sheriff may immediately retake the person into custody to serve the balance of the person’s sentence if the person fails to appear for the program at the time and place agreed to, does not perform the work or activity assigned, or for any other reason is no longer a fit subject for release under this section. A copy of the notice shall be delivered to the person and a copy shall be retained by the sheriff. Any person who willfully violates a written promise to appear at the time and place specified in the notice is guilty of a misdemeanor.

Whenever a peace officer has reasonable cause to believe the person has failed to appear at the time and place specified in the notice or fails to appear or work at the time and place agreed to or has failed to perform the work assigned, the peace officer may, without a warrant, retake the person into custody, or the court may issue an arrest warrant for the retaking of the person into custody, to complete the remainder of the original sentence. A peace officer may not retake a person into custody under this subdivision, without a warrant for arrest, unless the officer has a written order to do so, signed by the sheriff or other person in charge of the program, that describes with particularity the person to be retaken.

(d) This section does not require the sheriff or other official in charge to assign a person to a program pursuant to this section if it appears from the record that the person has refused to satisfactorily perform as assigned or has not satisfactorily complied with the reasonable rules and regulations governing the assignment or any other order of the court.

A person shall be eligible for work release under this section only if the sheriff or other official in charge concludes that the person is a fit subject therefor.

(e) The board of supervisors may prescribe a program administrative fee, not to exceed the pro rata cost of administration, to be paid by each person according to the person’s ability to pay.

(f) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

(b) The criteria for a work release program are the following:

(1) The work release program shall consist of any of the following:

(A) Manual labor to improve or maintain levees or public facilities, including, but not limited to, streets, parks, and schools.

(B) Manual labor in support of nonprofit organizations, as approved by the sheriff or other official in charge of the correctional facilities. (C) Performance of graffiti cleanup for local governmental entities, including participation in a graffiti abatement program as defined in subdivision (f) of Section 594, as approved by the sheriff or other official in charge of the correctional facilities.

(D) Performance of weed and rubbish abatement on public and private property pursuant to Chapter 13 (commencing with Section 39501) of Part 2 of Division 3 of Title 4 of the Government Code, or Part 5 (commencing with Section 14875) or Part 6 (commencing with Section 14930) of Division 12 of the Health and Safety Code, as approved by the sheriff or other official in charge of the correctional facilities.

(E) Performance of house repairs or yard services for senior citizens and the performance of repairs to senior centers through contact with local senior service organizations, as approved by the sheriff or other official in charge of the correctional facilities. Where a work release participant has been assigned to this task, the sheriff or other official shall agree upon in advance with the senior service organization about the type of services to be rendered by the participant and the extent of contact permitted between the recipients of these services and the participant.

(F) Any person who is not able to perform manual labor as specified in this paragraph because of a medical condition, physical disability, or age, may participate in a work release program involving any other type of public sector work that is designated and approved by the sheriff or other official in charge of county correctional facilities.

(2) The sheriff or other official may permit a participant in a work release program to receive work release credit for documented participation in educational programs, vocational programs, substance abuse programs, life skills programs, or parenting programs. Participation in these programs shall be considered in lieu of performing labor in a work release program, with eight work-related hours to equal one day of custody credit.

(3) The work release program shall be under the direction of a responsible person appointed by the sheriff or other official in charge.

(4) (A) The hours of labor to be performed pursuant to this section shall be uniform for all persons committed to a facility in a county and may be determined by the sheriff or other official in charge of county correctional facilities, and each day shall be a minimum of 8 and a maximum of 10 hours, in accordance with the normal working hours of county employees assigned to supervise the programs. However, reasonable accommodation may be made for participation in a program under paragraph (2).

(B) As used in this section, “nonprofit organizations” means organizations established or operated for the benefit of the public or in support of a significant public interest, as set forth in Section 501(c)(3) of the Internal Revenue Code. Organizations established or operated for the primary purpose of benefiting their own memberships are excluded.

(c) (1) The board of supervisors may prescribe reasonable rules and regulations under which a work release program is operated and may provide that participants wear clothing of a distinctive character while performing the work. As a condition of participating in a work release program, a person shall give their promise to appear for work or assigned activity by signing a notice to appear before the sheriff or at the education, vocational, or substance abuse program at a time and place specified in the notice and shall sign an agreement that the sheriff may immediately retake the person into custody to serve the balance of the person’s sentence if the person fails to appear for the program at the time and place agreed to, does not perform the work or activity assigned, or for any other reason is no longer a fit subject for release under this section. A copy of the notice shall be delivered to the person and a copy shall be retained by the sheriff. Any person who willfully violates their written promise to appear at the time and place specified in the notice is guilty of a misdemeanor.

(2) Whenever a peace officer has reasonable cause to believe the person has failed to appear at the time and place specified in the notice or fails to appear or work at the time and place agreed to or has failed to perform the work assigned, the peace officer may, without a warrant, retake the person into custody, or the court may issue an arrest warrant for the retaking of the person into custody, to complete the remainder of the original sentence. A peace officer may not retake a person into custody under this subdivision, without a warrant for arrest, unless the officer has a written order to do so, signed by the sheriff or other person in charge of the program, that describes with particularity the person to be retaken.

(d) (1) This section does not require the sheriff or other official in charge to assign a person to a program pursuant to this section if it appears from the record that the person has refused to satisfactorily perform as assigned or has not satisfactorily complied with the reasonable rules and regulations governing the assignment or any other order of the court.

(2) A person shall be eligible for work release under this section only if the sheriff or other official in charge concludes that the person is a fit subject therefor.

(e) This section shall become operative July 1, 2021.

SEC. 66. Section 6266 of the Penal Code is amended to read:

6266. (a) The director may charge the inmate in a work furlough program reasonable fees, based on ability to pay for room, board, and so much of the costs of administration as are allocable to the inmate. Fees may not exceed the actual, demonstrable costs to the department. No fees shall be collected from an inmate after the inmate's tenure in a work furlough program is terminated.

(b) Notwithstanding any other provision of law, no inmate shall be denied placement in a work furlough program on the basis of inability to pay fees authorized by this section.

(c) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute that is enacted before July 1, 2021, deletes or extends that date.

SEC. 67. The sum of fifty thousand dollars (\$50,000) is hereby appropriated from the General Fund to the Department of Finance to begin to implement the provisions of this act. The sum of sixty-five million dollars (\$65,000,000) is hereby annually appropriated from the General Fund to the Controller beginning in the 2021–22 fiscal year to the 2025–26 fiscal year, inclusive, to backfill revenues lost from the repeal of those fees specified in this act, unless future legislation extends the provisions of this act. These funds are appropriated to the Controller for allocation to counties according to a schedule provided by the Department of Finance. It is the intent of the Legislature to pursue legislation with the Budget Act of 2021 to finalize the funding allocation methodology for distribution to counties.

SEC. 68. If the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
