OC YOUTH TRANSITION CENTER (YTC) PROJECT

Score: 400 points maximum

Respondent: SUNDT Evaluator: 1 Date: 8/23

Questions	Total Points Possible
<p>Question #1</p> <p>Present your project schedule from Notice to Proceed (NTP) through project completion. Identify potential design, construction, cost and schedule risks and opportunities. How will your team mitigate these risks? How would your team expand on the opportunities? Discuss your methods for fast-tracking this project. Include information about design and construction means and methods.</p>	<p>80 max</p> <p>65</p>
<p>Question #2</p> <p>What steps is your team taking to assure cost certainty for the County to obtain budget adherence in this volatile market? Are there cost areas that cannot be mitigated?</p>	<p>80 max</p> <p>65</p>
<p>Question #3</p> <p>How do you plan to implement all elements of the design phase services? Since this project has an expedited schedule, how do you plan to devote the resources needed to complete it? How do you plan to minimize risk in regard to long lead items and permit contingent items?</p>	<p>80 max</p> <p>70</p>
<p>Question #4</p> <p>Value Engineering often involves finding cost-effective alternatives. How do you balance necessary cost reduction scenarios with maintaining the project's quality and functionality while not compromising on the client's stated performance goals?</p>	<p>80 max</p> <p>70</p>

Pop Question	
<p>Question #5</p> <p>Creativity is an important key to this project. What design ideas or new approaches and solutions can your team provide that go beyond traditional detention appearances while maintaining a suitable functionality?</p>	<p>80 max</p> <p>80</p>
