

**Development Processing Review Committee (DPRC)**

The Development Processing Review Committee (DPRC) was established by the Board by Resolution No. 80-241. The DPRC is a Brown Act body governed by bylaws approved by the Board. DPRC is a ten members advisory body that consists of two members nominated by each Supervisorial District. The purpose of the DPRC is to assist OC Development Services in the review of procedures and codes related to the planning and development process for private development projects.

The DPRC adopted revised bylaws based on the Board approved bylaws template on May 4, 2022.

The following provision from the template was not included in the FTSPRB bylaws because the provision is inapplicable in that DPRC does not utilize committees and subcommittees since it is an advisory body: Article VII, Committees and Subcommittees.
